Effective Velour Check Suits for Easter Wear

For morning services what could be more appropriate than a smartly tailored suit? Because every woman has her own ideas as to colors, here are a variety of combinations—

- Brown and Black
- Pekin and Black
- Tan and Reindeer
- Blue and Brown
- Tan and Green
- Rose and Copen
- Navy and Tan
- Copen and Tan
- Blue and Gold

Slim, trim youthfulness is achieved by knowing use of ripple or straight lines, dashing belts, tailored or convertible collars, patch or slash pockets. Assuredly attractive suits at \$43.75.

Blouses of Radiant Beauty To Accompany the Easter Suit

Georgette in the softest shades of Bermuda, blue-dawn and antelope, gayly flaunt brilliant embroideries, or newer still, show radium lace in medallion effect. Quite the latest thing is the just-to-the-hip blouse of bright-figured georgette, with looped sash at the sides. Other modes choose white or flesh as their motif, and demurely accept the finest laces as sole adornment. These and many more displayed at \$11.50 to \$59.50.

Most Important Is the Choice of an EASTER HAT

The success of one's costume depends on the hat. Tailored smartness, sophisticated charm, Parisian chic, subtly expresses itself in milady's choice. Wonderfully alluring are the gleaming straws, transparent effects, Oriental turbans, with flowers of every hue and shape proclaiming spring. Hats ranging from \$8.50 to \$30.

In addition to a comprehensive display of modish apparel, the Eastern service includes the privilege of buying on time payments.
