They came to Oregon with an immigrant wagon train in 1862. It took them six months to make the journey from Iowa. They have eight children living—Mrs. O. F. Taylor, Salem; Mrs. G. H. ### PORTLAND IS INVITED

HUDSON'S BAY COMPANY ARRANGES PAGEANT SERIES.

Celebration in Vancouver, B. C., to Be Held at 25th Anniversary of Founding of Company.

The Hudson's Bay company is planning to hold a series of pageants on May 20 in Vancouver, B. C. and in several cities of western Canada to celebrate the 25th anniversary of the founding of the company and word received from the publicity department officially extends an invitation to Portland to be represented in the celebration.

The history of western Canada has been more or less intimately bound up with the development of the Hudson's Bay company and as the company had its first posts at Vancouver, Wash., under Dr. McLoughlin, the development of the company was also closely connected with the settlement of Oregon and, in fact, the location of Portland itself.

## Hats, Furs and Umbrellas

for Women, Misses and Children

Fashion's Fairway is at The New Wonder Millinery store, which has been remodeled and without a doubt is the most beautiful millinery store in the west.

We cordially invite you to our Spring Exhibit, which is of interest to women who wear distinctive and exclusive models. Fashion's creative genius never before conceived such altogether lovely hats as those distinguishing the glorious Spring Millinery Exhibit at the Wonder Millinery.

Never before, we think, has a season introduced so much newness—so much variety—so much that is bewitching and irresistible in design, material and color.

For dress occasions—street wear and sport wear.

Hats that cause a sighing in the feminine heart because of their beauty which is inexpressible and must be seen to be thoroughly understood.

These non-resident students may vote on such issues and no state candidates here, but will not be allowed to vote on local measures or local candidates. Those registered elsewhere may procure absentee ballots from their home towns, according to the new law, mark them and cast them here and the county clerk sends them to the clerks of the counties where the students reside.

Special precautions will be taken at the polls in Eugene, says Clerk Bryson, to prevent any of these non-resident voters from voting on any local measures or candidates.

### SURGEONS RIDICULE PLAN

Operation for Reduction of Fat Declared Impracticable.

PHILADELPHIA.—Philadelphia surgeons scoff at the suggestion of operations on fat men to reduce their weight. "Operations for the removal of fat," a prominent physician said, "are not practical. Wherever fat is removed scar-tissue forms. When this occurs the skin refuses to function."

"Persons excessively fat have the fatty tissue all over their bodies. To do any appreciable good in reducing weight, it would be necessary to operate extensively. Thus a wide area of scar-tissue would form."

Physicians said fat was sometimes removed from small areas in the course of other operations, or where beneficial. This has never been done for the purpose of reducing weight. The formation of scar-tissue was they maintained.
