

-and now comes Spring!

"AND in the fire of Spring,
Your Winter garment of
Repentance fling!"

ALL THE WORLD is on parade this week. The spirit of Spring has entered the hearts of men everywhere and they express this spirit in their outward appearance. Easter is essentially the time of renewal. Thousands of well dressed men are today wearing new suits bearing the Fahey-Brockman label. You will know these men wherever you meet them because their clothes have that individual touch that marks the man of taste.

FAHEY-BROCKMAN CLOTHES combine the three great necessities of well-selected clothing—*quality, style, economy.* Each suit is a masterpiece of the tailor's art, in design, in finish and in effect. *Our upstairs low rent and quantity buying policy* is responsible for the fact that yesterday, and all during last week we were able to provide each of hundreds of men with the suit that in every case best met his needs, and in addition, saved him \$10 in actual money. Tomorrow and for the remainder of this week we will be able to equip hundreds of other men with equal satisfaction.
