EVERY ONE HIS OWN PLATFORM.

counting the number of political into the hands of a rank amateur. platforms brought into existence in Oregon by the present political campaign. Probably they number well over one hundred. We shall elect sixty members of the lower house of the legislature and about one-half the membership of thirty in the state senate. Each candidate for each place has made his own platform. Perhaps in some one important particular a large number of candidates are on common ground; but if that is so, nobody knows anything about here and there stands on a platforom that no other candidate has seen fit to mention.

For the purpose of illustration only there may be cited the aspirant for nomination to the legislature who is out openly for a modification of the prohibition law to permit the he will do or can hope to do in a oody composed of ninety members none of whom are pledged to the same purpose or indeed are likely to be swayed by the most engaging eloquence on the subject from him if he support, hopeless yet rebellious. So this year. What is there to say? it is with most of the others. Each and his own iceas.

The purpose herein is to contrast none in a storm. ngain the Oregon system with that of the neighboring state of Washington The republican party in Washington platform convention. At Bellingham approximately one thousand republicans representing every portion of the state were actually in attendgates found a common purpose for

J. J. Bell actually had to publish Albert Bigelow Paine says that the of prominence of these 17,000 Amer. highly uninteresting planet to live "Wee Macgreegor" himself. He got John Hassell to draw the famous cover and became his own publisher with excellent results to himself and

One publishing house has the record of having declined Stevenson, Barrie, Kipling and Crockett! Certain'it is that R. L. S. did not find it easy to sell "Treasure Island."

"Away with empty etiquette." is the plea of Yukio Ozaki, former min-It is estimated that it took 395 to Tokio from his tour of America is pure theory to the poor fellows and Europe,

Another study, similar to the fore- who fell before the 395th shell was cusable omission of social etiquette not to see one's friend off at his departure for foreign parts or even for a trip of a few hundred miles. If nounced increase of population fers inconvenience or discomfort, the advocates of empty etiquette are not in the least concerned. Another form of empty etiquette is the exchanging of new year cards.

"Toward the end of the Hojo and Ashikaga administrations the country was full of all sorts of empty etiquette and similar instances may be cited in the history of many other countries. The prevalence of so much empty etiquette in Japan as at prestional ruin."

They had been out together the was doomed when they began to night before, and were comparing notes in the morning. "I had a rotten time," confessed Smith: "the missus jawed me for half headline. Why not? Isn't a princess an hour. "How did you get on?"

Jones groaned miserably. "You got off light," he said. "You written out, 'I must be home every Dream River. By Grace E. Hall.

What drear, dark magic has the lonely night When, agonized with grief, the long feet hours drag and Their pained and mournful seconds through, and fright
With anguish blends to make the
moments lag! Fright at the awful pictures of the

day when the issue whether the land was meant to be populated by homebuilders or held as a royal game preserve was brought to a crisis in Oregon. Our Founder's being labeled "purposeful"—the uncontains advanced by being labeled "purposeful"—the uncontains advanced by being labeled "purposeful"—the uncontains and equipment. The did not include, however, investment in buildings and equipment. The figures correspond closely to, estimates made by Oregon authorities on education, who placed the average of limps makes.

A thealthy man contains 54 ounces of phosphorus. This deadly poison was made by Oregon authorities on education, who placed the average of limps makes. To flash a gleam across its sullenged by the contained of purposeful"—the uncontained of purposeful"—the uncontained of purposeful in buildings and equipment. The figures correspond closely to, estimates made by Oregon authorities on education, who placed the average of limps makes.

A note of desolation in each tone.

have the contents to make a man Then sent a ringing cry into the blacktissue of his brain. And this is the The stream was that of Destiny-no tissue of his brain. And this is the more scientific answer to the question. Would tides turn in, to bring that skipper back; For he who plies Dream River takes People from what New York calls A silent boatman passing towards lions rest. lessly.

THE GYPSY'S GRAVE.

Their dewy fronds and weep: And mournful birds of darkness croon Above her sullen sleep.

Wild weeds have withered o'er her form. Which cold and silent lies: here falls the chilly, slanting rain From gray and sunless skies.

"How do you do, Mr. Shenk," said a Far wound through many a stranger Her lonely Patteran, ince banishment of heart denied A dwelling place with man

gypsy's soul, a gypsy's foot-Forever on and on!

No rest at morn, no rest at eve, O'er hill or ocean's foam No kindred spirit shared her path, No land she called her hou Fair stood her tent by many a stream

Or music-haunted grove; And fond she kept, when rose the The burning trysts of love. Today her alry court was seen,

A place of song and mirth: comorrow it had vanished as A shadow from the earth. The snow will come and covering keep

Her burning secret well

And here the shuttles of the spring Will weave their magic spell While changeless Melapcholy broads

And pensive Sadness haunts the spot With brow low-bent and pale. Ah, well I know that sleepless thing

Because its deathless fever burns Deep in my stormy -GUY FITCH PHELPS

Congratulate the editor-

A man of impulse knightly-Who once through glass but darkly Now sees through Opal Whiteley. At least he feels quite sure he does;

She told him her life story, Her parents gone to glory;

Until a wicked hussy Tore it to pieces—spite of tears— And left it frightful mussy. But Opal picked the fragments up And hoarded them religiously.

She showed them to the editor, Impressing him prodigiously. "A gem of the first water

have an understanding hea And that is why I've got her Now Onal must the fragments take To make a copy for the press-

Unless she has another If she has fooled him let us hope She'll ne'er confess the caper. fwould kill the editor who based His faith on scraps of paper. GEO. O. GOODALL.

Eugene, Oregon. BITTER-SWEET. You claim the world is full of joy

and gladness ask: Why trace a line that And ask: breathes of sadness? When leaves in autumn fall and sad winds sigh.

Who may fair nature's sorrowing tone deny? View ocean's restless wave and list her ceaseless moan, Then answer in thy soul: Is there no undertone Of sadness? Is not a theme more truly wrought

By him attuned to nature's deepest thought? And strangely cloying wert continuous June; The blending seasons yield the perfect rune;

Earth is refreshed for spring by win-ter's snow.

As grief is sooner soothed if tears may flow 'Twas infinite wisdom's plan thus to complete, By intermingling joy and bitter-
