

IDAHO DELEGATES TO BE LEFT FREE

San Francisco Contingent Likely Uninstructed.

UNIT RULE MAINTAINED

Effort Being Made to Send at Least One Woman to Democratic National Convention.

BOISE, Idaho, May 8.—(Special.)—The republican state convention being out of the way, political leaders are now turning their attention to the coming state convention of the democratic party to be held at Lewiston June 15, which will elect eight delegates and alternates to the national convention at San Francisco. It is generally conceded that the Idaho delegation will go uninstructed, although it will probably lean toward W. G. McAdoo, former secretary of the treasury.

Party leadership among the Bourbons of Idaho is not a paramount issue. The necessary four party unity is recognized and the pro and anti-Nugent factions have become practically merged. So far as actual party control is concerned, if there is any, it rests in Senator Nugent, who, by virtue of his position, has been able to contribute federal patronage as to build up a fairly intact organization, and all of the Nugent followers will be at the Lewiston convention.

Senator Nugent May Attend. In fact, Senator Nugent was named by the Boise and Ada county democrats as head of the delegation from this county. An effort is being made to induce him to be present in person, and it is not at all improbable that he will come from Washington for this occasion.

Ada county also placed five women on the delegation to Lewiston—Miss Mary Erb, Mrs. Frank Kinyon, Mrs. W. H. Pohlman, Mrs. S. T. Schreiber and Mrs. E. J. Dockery. A woman will be one of the eight delegates to the national convention if they have anything to do with the selection.

SHRINE SHOW PLANNED

Portland Showmen to Round Up All-Star Talent. Performance to Be Given in Heilig and Proceeds Turned Over to Entertainment Committee.

The theatrical managers of Portland have caught the spirit of the Shrine convention which comes to Portland in June, and as a result of various conferences held this morning they have undertaken to donate \$1400 to the Shrine entertainment fund. They are going to get it at a vaudeville show they will stage at the Heilig theater on the night of Wednesday, May 26.

The theater managers went to the Shrine headquarters in the Gasco building yesterday and made the offer of the money.

As soon as their plans were accepted the managers engaged Frank Coffinberry to stage the show and sold him to put nothing but star performers on the bill.

"I want to make it clear that this performance is not a benefit for anybody but us managers and the Portland public," said Manager Jack Johnson of Pantages.

As managers we will ask the performers to donate their services, and the box office receipts will be handed to the Shrine committee with our best wishes.

Tickets will be sold at the box office.

Why Smith Sells for Less

Customers often ask how it is we can do so well at a lower price. In the first place, we buy right direct from the mill in carload lots. Then we sell for cash—you don't have to help pay some dead beat bill here. We don't deliver. We give no discounts—you can buy paper here just as cheap as your paperhanger and you should. Some of them "knock" us because we don't give them a commission and charge you more, but we prefer to give this saving to our customers. These are some of the reasons why we sell for less, and why our business has more than doubled in a year. If you want the very newest and best Wall Paper you can buy for your money, you should visit Smith's before placing your order.
