A Drapery Sale of an Entirely Different Kind

INTRODUCING ten new complete window designs by our own interior decorators. These curtains are of particularly fine materials and each complete scheme is quoted at a saving of 25% on all materials used.

These ten pictures show a large part of the story. It is hard to visualize a curtain at your window when you are selecting your material. Therefore the Drapery Store has had built ten window frames and has mounted upon them these ten different correct styles of modern draperies. The schemes are complete with overdraperies.

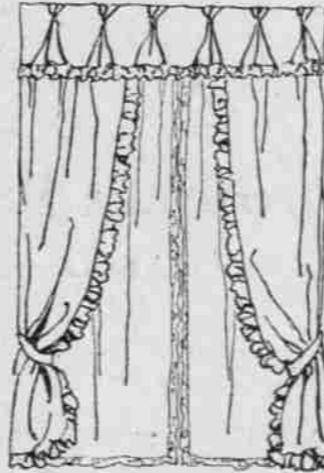

At each window treatment there is a placard detailing the exact cost of the various materials for that size and style.

Prices begin at \$15.25 and go to \$95.04 for the finest materials, but there is a wide variety of the medium prices.

Kindly bring approximate measurements of your windows so that we may quote prices correctly.

We will take measurements and install the curtains later. Rods and brackets are not included in these estimates.

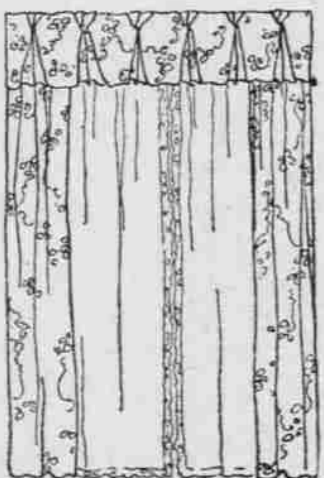

sash curtains and all necessary trimmings. There is choice of damask, velvet, taffeta, silk and cretonne as well as net. Altogether forty different styles can be made up from this assortment.
