## Summer Furniture Specially Priced

This is a story of hand-made hickory furniture, of homespun maple furniture with rattan seats such as our forefathers used because it was comfortable, of attractive brown fiber, of Chinese reed furniture and many other delightful kinds. Also of four-poster bedroom sets and inter-

esting Hepplewhite dining-room sets which seem planned for hospitality.

Quite a large part of the Furniture Store is given over to this display and sale, so that you can see quickly just what there is here and make your selections easily.

### Rustic Hickory—True American Furniture

Genuine hand-finished, splint-bottom hickory furniture. No frills, but with a plain, honest, rugged strength which creates a restful charm. Furniture which will stand abuse and dampness uncomplain-

ingly. Each piece made from hickory saplings, straight, sturdy, pliable young trees, so their strength is assured.
