A Good-Luck Offering of

Fine Silk Dresses

\$25

"Aren't you lucky?" people will say to you if you are fortunate enough to secure one of these silk dresses at \$25. All of them have been more expensive. Such frocks have not been made this season to sell at anything like \$25.

Crisp taffeta with all the ardor of spring. Foulard with and without draperies of georgette. Printed summer silks, mostly trimmed with lace. All sorts of light and darker georgette crepes for afternoon and dinner wear. A few dark blue serge dresses in the group.

Broken sizes. Only a few of a kind. But we think you will find it worth while to search through the collection for your size.

Most Luxurious of Negligees

Priced So That They Are No Longer Luxuries

As a part of the Anniversary this week the Negligee Shop is the scene of many price reductions. Very few exceptions have been made to the general price lowering.

Some of the most lovely Lady Teazle tea gowns and other boudoir negligees are to be had now at large savings. Also there are the most delicate georgettes and laces as well as opulent velvets at economies.

So fresh and charming that many brides will wish to add them to their trousseaux.
