

TACOMA TO BE HOST TO 10,000 SHRINERS

Use of 1500 Autos in Entertainment Planned.

COMMITTEE IS BUSY

Plans Laid to Entertain Many Visitors on Way to Big Convention at Portland.

Fifteen hundred automobiles have been mobilized by Shriners of Tacoma to entertain Tacoma's Shrine guests on their way to the imperial council session at Portland.

Tacoma expects 10,000 Shriners to make a stop of some kind in the city on June 19 or June 20.

Headquarters will be maintained in the great union depot, where Ellis Lewis Garretson, deputy imperial potentate, and Edward B. King, illustrious potentate of Affli temple, will be on hand to receive the thousands of delegates in dozens of special trains.

More than 40 leading business men and Shriners of Tacoma compose the general committee in charge of arrangements. The Shriners' committee is receiving the hearty co-operation of all city and county officials.

Tacoma's streets will be a blaze of lights while the Shriners are here and buildings will be a riot of color. Red, green and yellow, official colors of the Shrine, will predominate in the scheme of decoration.

1500 Autos to Be Used.

More than 1500 automobiles will be used to show the Shriners of North America the beauties of Tacoma's business and residential sections and parks together with special automobile excursions through Puyallup valley.

The big cammeries will be open to visitors and the tour will include both the farming and berry sections. The trip through the valley will require about two hours.

Affli temple will be in Portland in great numbers for the night spectacle on Wednesday, June 23, when Mr. Garretson, who will then be the new imperial potentate and head of all Shriners in North America, will march at the head of Affli temple in the gorgeous procession.

Mr. Garretson will maintain his headquarters in Tacoma, his home city, and this will mean that the majority of the 400,000 Shriners from North America will be centered upon Tacoma for the next 12 months.

Every organization of Tacoma is co-operating to make the visit of the Shriners a success. The Elks' temple will be used for dining rooms, parlors and other unassigned bodies. The Y. M. C. A. will be headquarters for unattached nobles. The K. of Y. temple will be a rest room for the women in the party.

The Masonic temple will be converted into a great restaurant to assist in feeding the visitors. The Commercial club, Knights of Columbus, Oddfellows, Moose, Eagles and all fraternal business and civic bodies have thrown their rooms for the use of the visitors.

Have Heads Committee.

The general committee in Tacoma is headed by A. B. Howe. L. H. Burnett is chairman of the publicity committee and Archie Goldsmith has charge of the work of decorating. J. L. Carman and O. H. Carver have the automobile situation well in hand and it is announced that the Shriners more than three months ago arranged for sufficient gasoline to supply 1500 automobiles for two days in the service of showing the visitors the sights.

The business men and farmers in the Puyallup valley country will use between 500 and 600 automobiles in the work of entertaining the Shriners in the valley country. The Tacoma general committee is making the driver of every car a member of the reception committee and Tacoma officials have announced that all official cars will be exempt from parking regulations on June 19 and 20.

The Tacoma Shriners will present to every visitor a souvenir book containing scenes in and about Tacoma to which coupons will be attached admitting the Shriners to many places of amusement.

More than 10,000 Affli pins have been secured to distribute to Shriners upon their arrival in Tacoma.

When the imperial divan reaches Tacoma on June 25 en route to Alaska another day will be given over to entertaining the Shriners. The imperial divan will call upon the new imperial potentate at his home temple and the day will be spent in sight-seeing followed by a reception at the Country club.

The imperial potentate with the imperial divan and several hundred Shriners and families will sail from Tacoma June 26 for Alaska on the steamships Jefferson and Spokane. At Juneau, Alaska, the imperial divan will confer a degree for the first time in the history of the Shrine.

pioneers of Portland, died at his home, 741 Hoyt street, Saturday, May 29, at the age of 81a. Funeral services were held Tuesday, June 1, under the direction of the Masonic order, of which local organization he was a charter member. Dr. E. H. Fouse preached the funeral sermon and J. William Belcher sang. Interment was in Mt. Scott cemetery.

Mr. Allan was born in Cold Stream, Barrackshire, Scotland, in 1839, emigrating to Canada in 1855. He married Miss Foster of Toronto in 1877 and two years later came to Portland where he lived continuously until his death. He was a pioneer lumber and railroad promoter and for 14 years was general foreman of the Northern Pacific Terminal company, retiring 15 years ago.

He was a charter member of the

Edward B. King, who will receive thousands of Shriners next Sunday at Tacoma.

Willamette valley chapter of the Masonic order and also was a member of the Oddfellows order. He is survived by a wife and two children—John Allan and Mrs. Charles Becey.

EUGENE, Or., June 12.—(Special.)—Mrs. Lydia Lewellyn Hall, a prominent worker in the Baptist church and in lodge circles, died at her home here yesterday at the age of 73 years. She was for many years a member of the order of the Psi Chi and held office in the local lodge constantly during her residence here of a quarter of a century. She is survived by a daughter, Mrs. C. B. Shumway of this city, besides two brothers, Lewis C. Gaylord of Eugene, and Thomas Gaylord of Nebraska, and a sister, Mrs. Jennie Baird of Nebraska.

KLAMATH FALLS, June 12.—(Special.)—John A. Short, aged 76, a resident of Klamath county since 1884, died suddenly of heart failure while out after his cows on his ranch near town. When searchers found him he had been dead several hours. His two faithful dogs stood guard beside him. Besides a widow, he leaves two sons, Burrell Short, county commissioner, and Robert C. Short, and a daughter, Mrs. James Dixon.

LA GRANDE PIONEER DIES

JOSEPH PALMER PASSES FOLLOWING PARALYTIC STROKE.

Early History of Grande Ronde Valley Connected Closely With Former Miner and Farmer.

LA GRANDE, Or., June 12.—(Special.)—Joseph Palmer, pioneer of the western country and for many years a resident of La Grande, who died early Thursday morning following a stroke of paralysis, was connected with much of the early history of the Grande Ronde valley and the city of La Grande.

Mr. Palmer was born in 1837 in Pennsylvania, later moving to Iowa. In 1858, while the Mormon war was in progress, he drove a government

team to Salt Lake City. In 1859 he started for Denver, Colo., but changed his plans and five months later arrived at Yreka, Cal., and engaged in quartz mining. Later he went to John Day, Or., and remained there as a miner until 1864.

In the fall of that year he started for a visit to Iowa, going by steamer from Portland to the Isthmus of Panama, thence to Baltimore and Philadelphia and then on to Iowa. The next spring he returned to Oregon, reaching the Grande Ronde valley on July 4, 1864.

He pre-empted a quarter section of

land, which is one-half of the present site of La Grande, and began farming. Later he sold the land in small tracts and went into the sawmill business. He also owned and operated the electric light plant for a number of years in La Grande.

Mr. Palmer was a strong republican, a member of the city council at one time, and was a member of the Oddfellows since 1867. He also was a member of the local lodge of Elks. The funeral was held this afternoon at 2:30 o'clock, Rev. Mr. Edwards of Ashland conducting the services in the First Methodist Episcopal church.

Elks Celebrate Tomorrow.

To celebrate the 14th anniversary of the adoption of the American flag, members of the local Elks' lodge No. 142, will meet tomorrow at 8:15 o'clock in the auditorium where they will hold a patriotic programme. Vocal and instrumental music will be heard while the feature of the celebration will be an address by Judge J. P. Kavanaugh. Ritualistic services of the order commemorating the adoption of the American emblem will also be held. The celebration of this anniversary will be observed tomorrow night by every Elks' local in the United States.

See City News page, section 3—First-class Utah coal, \$10.75 for steam, \$13.50 to \$13.50 for the home, dumped at curb.—Adv.

MINING ACTIVITY NOTED

INTERESTS AT GOLD HILL MA-NEUVER FOR POWER.

Sites on Rogue River Sought for Evident Intention of Resuming Work Abandoned in 1914.

GOLD HILL, Or., June 12.—(Special.)—That the gold-mining industry in this region is not entirely dead is evidenced by the endeavor of mining interests to obtain power sites on the Rogue. The old Rogue River Public Service corporation, which formerly operated the local power plants at Gold Hill and Grants Pass and took the bankruptcy route to reorganize after the slump of gold mining in 1914, has split the properties up and is now under control of two concerns recently incorporated. The Gold Hill Electric company takes over the Gold Hill plant and power lines, while the Irrigation & Power company gets the Grants Pass end.

It is reported that mining interests made up of Portland people are endeavoring to acquire both power sites for exclusive mining, while another Portland concern interested exclusively in manufacturing is after the Grants Pass site, and the local cement plant will take over the Gold Hill plant for its exclusive use and local power.

By the cement plant taking over the local site, \$100,000 a year will be diverted to a Gold Hill source.

His Hearing Restored.

The invisible antiseptic ear drum invented by Mr. A. O. Leonard, which is in reality a miniature megaphone, fitting inside the ear and entirely out of sight, is restoring the hearing of literally hundreds of people in New York city. Mr. Leonard invented this remarkable drum to relieve himself of deafness and head noises, and it does this so successfully that no one could tell that he is a deaf man. This ear drum is effective when deafness is caused by catarrh or by perforated, partially or wholly destroyed natural drums. A request for information addressed to A. O. Leonard, Suite 115, 78 5th Ave., New York city, will be given a prompt reply.—Adv.

Road to Pay \$5500 for Death.

Earl W. Hatch, father and only heir of Miles Ins. Co. Hatch, is permitted to settle with the Southern Pacific railroad for \$5500 for the death of the girl in the head-on collision between electric trains near Bertha station May 9, through an order signed by Circuit Judge Taxwell.

PEAR CONTRACTS VALID

Court Rules Growers at Yakima Must Make Delivery.

TAKIMA, Wash., June 12.—(Special.)—Pear crop contracts made two years ago by a large number of Yakima growers with a cannery here for delivery of the fruit through a term of years for \$22.50 a ton were held valid by Judge Taylor of the Yakima superior court, in a decision handed down yesterday in a test suit brought by the company.

Advance in the price of fruit after the contracts were made resulted in considerable dissatisfaction among the growers. The cannery advanced the price voluntarily to \$25.00 a ton, but some of the growers refused to deliver their fruit at that figure and demanded \$40.

Obituary.

LEWISTON, Idaho, June 12.—(Special.)—Mrs. Margaret Kitemiller, a resident of Lewiston for over 40 years, died Wednesday at the family home in this city. Mrs. Kitemiller was a native of Ireland, coming to this country when very young. She was 77 years old, and is survived by four children, Mrs. Amelia Fogelson of Spokane, E. Kitemiller Jr. of Vancouver, Wash., and William and Frank Kitemiller of this city. The funeral was held today at the Catholic church.

Mrs. Annie Febvet, 121 North Twenty-third street, who died at St. Vincent's hospital June 7 and was buried from St. Mary's cathedral last Wednesday, is believed to have died of grief resulting from the death of her only son George, 14, who died January 15 from the effects of blood poisoning. The boy was a student at Columbia university and was idolized by his mother. From the time of his death her health began to fail.
