I'd liken life unto a maiden fair who in the springtime garlands her fair brow...

I'd liken life unto a maiden fair who in the springtime garlands her fair brow...

I'd liken life unto a maiden fair who in the springtime garlands her fair brow...

I'd liken life unto a maiden fair who in the springtime garlands her fair brow...

I'd liken life unto a maiden fair who in the springtime garlands her fair brow...

I'd liken life unto a maiden fair who in the springtime garlands her fair brow...
