## TRAVELERS HOLDING ANNUAL CONVENTION

Programme Opens With Band Concert Tonight.

NATIONAL OFFICERS HERE

Important Business Is Coming Up

Put your sample cases in "hock" for the week, toss the little old order book into the pond, unlimber yourselves from these "how they cramp me when I sleep" Pullman berths, forget the income tax; the high cost of baby shoes and all the other lit-tle items which go to make this game of life worth while. Forget—you are commanded—every-

hardship on those of their number who have families to support. A determined effort to have a few need-ful amendments written into this law one of the chief matters to come before the convention.
