ISLAM AFTER CONVENTION

SAN FRANCISCO SHRINERS ADOPT SLOGAN IN DRIVE.

Nobles to Chant Refrain as They March Through Portland's Streets at Coming Session.

SAN FRANCISCO, June 12.—(Special.)—Islam temple of San Francisco will make a campaign at the Portland convention to bring the imperial conclave, Nobles of the Mystic Shrine, to this city in 1922.

Already a slogan has been adopted that will be chanted by the nobles of Islam temple as they march through the streets of Portland in their red fezzes and it will be emblazoned on their flags and banners. It reads: "San Francisco, '22."

"Islam temple welcomes you." The local temple will be backed up enthusiastically by Alaha temple of Honolulu, which will make the northern trip on the same special train with the San Franciscans.

James S. McCandless, past potentate of Alaha and chief imperial rabban, will in the course of the usual elevation be elected imperial potentate of the shriners of this country in 1922. It is his desire to have San Francisco selected as the convention city in that year of his succession to the throne and will lend all his efforts toward that end.

Alaha temple patrol and delegates with officers of the line arrived in San Francisco early this week and were greeted by the officers, patrol and band of Islam. A dinner was tendered Islam patrol by Mr. McCandless at the Union League club and the Alaha nobles were the guests of San Francisco temple in the pilgrimage to Sacramento today, where a ceremonial was held.

The combined patrols leave San Francisco Saturday, June 19, on their trip to Portland. They will return home in time to assist in officiating as a welcoming committee to some 400 shriners who are expected to return home by way of this city.

Ira W. Coburn, assistant rabban of Islam temple, has been made chairman of the general reception committee and on Sunday, June 27, there will be automobile trips around San Francisco together with luncheon served at the Masonic temple and Islam temple headquarters on Geary street.

OLYMPIA, Wash., June 12.—(Special.)—The date for the dedication of the new Elks' temple has been set by the lodge on Saturday, June 26, and committees are actively at work arranging the programme, which will be one of the most elaborate ones ever attempted in the city.

ALTURAS, Cal., June 12.—(Special.)—Artesian wells have been drilled on the Perry, Mulkey and Owens ranches near the town of New Pine Creek, close to the California-Oregon line.

In all seven or eight flowing wells have been struck, the strongest being on the ranch of J. F. Owens, which flows 25 gallons a minute. Many additional wells are to be sunk, largely as an expedient for obtaining stock water.

100 SACKS FLOUR SEIZED
Commodity at Yakima Declared to Be Under Weight.

YAKIMA, Wash., June 12.—(Special.)—More than 100 sacks of flour of two sizes were seized in groceries and warehouses in this city yesterday because of alleged under-weight. Fifteen of the sacks were placed in the custody of the Yakima county sheriff and will be kept under guard in the county jail for possible use as evidence. Eighty-five sacks were returned to the milling company with instructions to refill them up to the weight indicated by the labels.

Part of the sacks were labeled as containing 49 pounds. Tests, it was stated, showed these sacks to be short from one to three pounds. Sacks labeled by the labels to contain 24 1/2 pounds were found to contain three pounds less than that quantity.

NEURALGIA'S ONE SYMPTOM

Neuralgia is a disease which has but one symptom—pain.

The pain of neuralgia is sharp and shooting, with intervals of freedom. An attack of neuralgia does not give immunity, but recurrences are the rule. The same nerve is generally affected, which means that this particular nerve has lost its resistance and that there will be recurring attacks until the strength of the nerve is built up.

How can the strength of the nerve be restored? The nerves are nourished entirely by the blood, and weak nerves are toned up by supplying to the blood the elements that the nerves lack. As the general health and strength of the patient are built up the nerves resume their normal functions. Inflammation caused by lack of nutrition disappears and the neuralgic attacks cease.

Dr. Williams' Pink Pills are a tonic exceptionally well suited for the treatment of neuralgia because they contain no alcohol, stimulating or habit-forming drugs. The tonic treatment with these pills is well worth a trial by any sufferer from neuralgia. Your own druggist can supply you with Dr. Williams' Pink Pills or you can order direct from the Dr. Williams' Medicine Co., Schenectady, N. Y., at 50 cents a box.
