onderful Craftsmanship distinguishes a genuine ORIENTAL RUG

Not only is an Oriental Rug a work of beautiful symbolical art, but also the embodiment of the patience and skilled craftmanship of centuries of training.

LOS ANGELES

¶ With painstaking labor, swarthy fingers tie knots averaging from 60 to 800 to the square inch. The loom is absurdly primitive. The tools-a knife, comb and scissors-are crude. The process of weaving is childishly simple, but the result is a wonder work that is at once the inspiration of modern weavings and the despair of imitators.

**THESE FACTS** WORTHY YOUR ATTENTION

A healthy mouth and sound teeth are extraordinary

The mouth, from the standpoints of health and appearance, is a great factor in success or failure in life. Removal of declayed stumps and a well-fitted, perfectly sanitary plate will mean comfortable old age.

Young or old, to get all there is out of life, should give their teeth the dental attention they deserve. Dr. Wright's personal service is at your disposal.
