The Reason for This Sale

This year we are confronted with the same problem of a great scarcity of merchandise as last year. But in consistence with our policy of keeping our stocks fresh and clean, we have gone through our entire store and everywhere we found a pattern that was discontinued or one that we could no longer secure in sufficient quantities, we have marked it at a real reduction.

And, just remember our usual credit terms are decidedly unusual when compared to the terms most stores offer. You cannot get easier terms or more liberal treatment than Gadsbys' offer-that's positive.
