WASHOUGAL HAS BIG DAY

Many Communities Unite in Celebrating Fourth.
WASHOUGAL, Wash., July 10.—(Special.)—What was declared to be one of the best Fourth of July celebrations ever held in this part of Clark county was pulled off here Monday, July 5. It is estimated that about 5000 people participated in the celebration. Canas, the papermaker's city on the west, was well represented, having several decorated autos and floats in the parade. The outlying districts were also well represented, showing in the parade with its float representing a farm.
The Washougal Woolen mills, which furnished the Goddeas of Liberty for the occasion, had a beautiful decorated float which did honor to the industry. H. J. Secor was the orator of the day and delivered an interesting address. The entire day was full of amusement, including the parade with 30 decorated autos and floats, a programme in the park, motorcycle races, horse races, ball game and fireworks in the evening, followed by a big dance.
Everything worked out according to schedule, with no accidents, and on the whole the celebration was a grand success. The co-operative and friendly spirit of the surrounding communities is what made a good celebration and showed that this section is truly American.
