Extraordinary Sale

Draperies, Curtains, Upholsteries, Etc.

Thousands of dollars' worth of staple wanted drapery merchandise to be hurried out this week from our regular stocks.

The event of the season for owners of homes, home makers, refurnishers and for proprietors of hotels and apartment houses.

The time when we scrutinize our stocks for everything in incomplete assortments. Materials which can not be duplicated have been reduced

for quick selling. Curtainings of which we have sold quantities are to be sold regardless of their original prices. Couch covers, over-drapery materials and fascinating cretonnes are also going out quickly for the same reasons.

Read all these items and see if you can remember a sale to equal this.

As you will quickly realize most of the merchandise in this sale is offered at less than replacement costs—and some of it at half price.
