VARDON AND RAY NOT TO TOUR WEST

Trip Canceled According to Word From East.

1921 TOURNEY IN DOUBT

Portland and Victoria Both Being Considered Though Canadian City Seems Favored.

Pacific coast golf enthusiasts are not going to have an opportunity of seeing the great British professional, Harry Vardon and Edward Ray, in action west of the Rockies this year. C. H. Davis Jr., captain of the Waverley Country club teams, received a telegram yesterday from the east, in response to an invitation from him, expressing the regrets of the British "pros."

"Sorry but it will be impossible to extend bookings to include Pacific coast this year, read the message received by Captain Davis."

Golfers Are Disappointed.

The news will be received with keen disappointment in Portland and all over the Pacific coast. It had been accepted as almost a foregone conclusion that Vardon and Ray would come west as they did several years ago during their tour of the United States.

John Dreher of Seattle, secretary of the Pacific Northwest Golf association, is a visitor in the city and Mr. Dreher said last night that several Pacific northwest clubs would have clubbed together to bring the Britishers to this section had they been able to make the trip.

1921 Tourney in Doubt.

According to Secretary Dreher no decision has yet been reached as to whether next year's northwest golf championships will be held in Portland or in Victoria. The Colwood Country club of Victoria put in a bid at Spokane in 1919, but apparently would like to postpone acting as host until 1922, giving them another year in which to complete their bunkering.

"Everybody is encouraging them to waive this and take the tourney next year," said Secretary Dreher. "A decision will be announced soon."

Qualifying rounds of both the men's and women's championship flights of the 1920 Gearhart golf tourney will begin Wednesday, August 25. Herebefore the women have qualified on Monday and have had the links to themselves for the first two days of tournament play. Owen Merrick of Astoria is handling the tournament, which is being conducted by members of the Astoria Golf club for the Gearhart Park company.

GOLFERS TO GO TO SEATTLE

Aberdeen to Send Delegation of 13 for Match Today.

ABERDEEN, Wash., Aug. 21.—(Special.)—Thirteen Aberdeen and Horquiam golfers, representing the Grays Harbor Country club, will play a return match with the Earlington club teams at Seattle tomorrow. The Harbor golfers will make the trip by automobile. Those who will represent the team are: Sam Anderson, George Anderson, Dr. L. R. Wilson, I. G. Humbarger, G. T. Kellogg, W. C. Campbell, G. G. Kellogg, George F. Fuller, H. E. Phipps, W. J. Patterson and H. P. Brown.

The players will return to Grays Harbor Sunday night.

CRAIG TO COACH ABERDEEN

Mentor Who Put Out Good Team Last Year Will Stay.

ABERDEEN, Wash., Aug. 21.—(Special.)—Aberdeen high school athletes will have with them again this year Coach Harry Craig, who last year turned out the football eleven which suffered but one defeat and that at the hands of the Everett team, conceded the fastest high school aggression in the state.

Though many of the players that made up the Aberdeen offensive and defensive lines last year will not be in school, Craig believes that there will be sufficient good new material to ensure a formidable team.

Low Score Recorded.

A score of 51 over an 18-hole golf course of championship caliber, the par of which is 76 and the bogey 89, was the record of W. D. Kraft several weeks ago at Hongkong. Kraft, for some years an American colonist in Hongkong, was out in 25 and back in 26, and his entire play was an extraordinary exhibition of accuracy. He took one putt on each of 17 greens and none on the other, the 12th hole, which he negotiated in one. Despite his age—38—Kraft was forced to use three balls on the round, since two of them were knocked top-sided by the power of his drives.
