

POLES ADVANCE TO MIDDLE BUG VALLEY

Total of 19,000 Bolshevik Prisoners Taken.

REDS ABANDON CANNON

Soviet Troops Reported Leaving Hastily; Attempt Made to Cut Off Russians.

PARIS, Aug. 21.—(By the Associated Press.)—In the principal theater of operations on the Polish front the Poles were reported advancing toward Brest-Litovsk. They had reached the valley of the middle Bug. Prisoners taken aggregated 19,000. Many guns, with their carriages, were abandoned by the soviet troops. The chief operations were going on in the fork of the Narow and Bug rivers, from which the bolsheviks were retiring hastily. The Polish army, advancing from the north, had as its objective the cutting of communication between the bolshevik center and right. Thus it was between Ostralenka and Lomza, on marshy land, that the enemy probably would make his last effort before the fate of the red army in the north, the situation of which is grave, is decided.

1851 Maneuver Imitated. Imitating the maneuver executed in 1851 by Nicholas I, the bolsheviks have withdrawn a section of their forces to attack Thorn and Wloclawek, across the Vistula, and cut communications between Danzig and Warsaw. These troops have encountered a fresh Polish army. Meanwhile another army, advancing from Modlin, has attacked them from the south. Finally, a third army is defending the Narow, endeavoring to cut off these troops from their single road of retreat in the north. Scattered over nearly 100 miles along the frontier of East Prussia, between Strasburg and Ostralenka, these red forces seemed condemned to annihilation unless they take refuge on Prussian territory.

Reds Begin Demonstration. To diminish the pressure on the main theater between the Narow and the Bug, the bolsheviks have undertaken a demonstration on the western front, attacking Polish and Ukrainian positions on the Stripa. Their cavalry had crossed the upper courses of the Bug and Cosack patrols were appearing some leagues before Lemberg. This operation, however, was considered too belated to affect any change in the general situation.

HEAVY FIGHTING REPORTED

Clashes North and Northeast of Warsaw Are Announced.

LONDON, Aug. 21.—Heavy fighting continues north and northeast of Warsaw near Pionsk and Cieszanow, according to a bolshevik wireless statement. Further northeast the soviet and Polish armies were engaged near Wyszokow and Stanislavow, while in the region of Brest-Litovsk fighting was proceeding along the line of the western branch of the Bug river. Near Lemberg the bolsheviks were reported developing their position after occupying Glinisay and during the fighting had advanced to a line of villages south and southeast of Lemberg.

In the Tarnopol region soviet forces had crossed the Strypa and had advanced in westerly direction. It was declared. In the Crimean sector the bolsheviks have occupied Vasilievka after fierce fighting during which they captured an armored train. Further east anti-bolshevik forces had landed near the outskirts of Aktyrekain on the Sea of Azov, but soviet troops had been dispatched to that front.

ABLE JUDGES DEVELOPED

FIELD TRIPS EDUCATE INDUSTRIAL CLUB MEMBERS.

Boys Make Tour of Several of Larger Dairy Farms in Orient Section of Country.

GRESHAM, Or., Aug. 21.—(Special.)—Field trips and stock-judging contests in eastern Multnomah and northern Clackamas counties have developed some good judges of purebred cattle among the members of the school children's industrial clubs this week. Accompanied by L. J. Allen, state leader, and Miss Ethel Calkins, county club leader, the boys made a tour of several of the larger dairy ranches in the orient section on Wednesday.

At the Johansen farm, pure bred Duroc Jersey hogs were judged, and at the E. C. Altman ranch purebred Jersey cows and sheep were scored. Senator and Mrs. Altman were hosts at a picnic lunch and watermelon party.

Judging teams were selected to represent the different districts at the county fair and plans were made for a second contest next month to select the team to judge for Multnomah county at the state fair. The judging team, consisting of Albert and Adolph Zinger and Grant McMillan, far outpointed the others. This game trio won first place at the county fair second at Salem, and third at Spokane last year.

Harold and Leslie Lynch of the same district did some creditable judging this week. Herbert Eling, Horace Wilton and Harry Hollywood will score for Gresham; with Powell valley represented by Sven Nelson, Leonard Nelson and Clifford Ekstrom, and Orient's chances in the hands of Harold McKinney and Nick Anderson.
