Portland arrived here Friday, having hiked in from Seaside. They stopped at the Nehalem river to troll for will remain for ten days as the guests of Mr. and Mrs. E. C. Comstock.

SEASIDE, Or., Sept. 4.—(Special.)—
This beach resort, being an incorporated city, will naturally not assume the proportions of the average summer resort, closing its season with Labor-day festivities. On the contrary, Seaside is witnessing a wave of unbroken popularity and this is calculated to continue during September and well into the fail months. Many folk rent their own cottages during the summer months, and then the crowds have thinned. Hotel Seaside is an all-the-year-round hotel and provides every comfort for visities coming late to the beach. Reservations are big for Labor day, and, while some of the lesser and artificial attractions, such as the merry-chypond and Farries wheal and and son with the proportions of the lesser and artificial attractions, such as the merry-chypond and Farries wheal and and son with the proportions of the lesser and artificial attractions, such as the merry-chypond and Farries wheal and son the proportions of the lesser and artificial attractions, such as the merry-chypond and Farries wheal and served to the proportions of the average entry at the proportions of the contrary, Seaside is witnessing a wave of unbroken popularity and this is calculated to continue during September of unbroken popularity and this is calculated to continue during September of unbroken popularity and this is calculated to continue during September of unbroken popularity and this is calculated to continue during September of unbroken popularity and this is calculated to continue during September of unbroken popularity and this is calculated to Continue and Mrs. C. L. House and Mrs. T. V. Sandahl and son while the proportion of the contrary, Seaside is an all-the-year-round hotel the proportion of the contrary, Seaside is a SEASIDE, Or., Sept. 4 .- (Special.) while some of the lesser and artificial attractions, such as the merry-go-round and Ferris wheel and such so-called attractions, are closed, the sonson here is by no means ended, add, every incoming train brings transients and cottagers to take the transients and cottagers to take the close leaving.

STORM LEVELS BEACH TENTS

Cottagers Who Planned on Staying Late Return Home.

CANNON BEACH, Or., Sept. 4 .--CANNON BEACH, Or., Sept. 4.—
(Special.)—The recent and totally unexpected storm of a week ago sent home a number of cottagers who had planned to remain through September. The storm was unusual for August and literally came out of a fair and smiling sky. It did its only damage to the tents and small contracts. the young girls who have spent the summer here. One was in honor of Elinor Dittenhofer's 16th birthday and the other was for Flora McBride's 16th birthday. The guest list included the same names, Jane Talbot, Eloise Fleischner of Seaside, Helen Parker, Frances Prudhomme, Douglas Nicol. damage to the tents and small cot-tages, but trees were broken down and a heavy rain following chilled the vacation ardor of the colonists to the extent that they packed up and hurried home. Transient travel, however, remains heavy, and the hotels will continue to house guests Norbert Cavanaugh, John Piper, Ben Reed, Jack Marshall, Jack Dougherty, Jack Grossmayer, Ambrose Cronin and Richard Lang, with the hostesses in each event, Miss Dittenhofer and Miss McBride. One party, that of Miss McBride was held at the home of her parents, Mr. and Mrs. D. B. McBride, and was in the nature of a "hard times" gathering in which the guests assembled to dance and play games. until late fall. September and Oc-
