BAKER CITES LONG RECORD OF RESULTS

51 Achievements on List Covering Term in Office.

MANY PROBLEMS SOLVED

Difficulties Averted in Advance of Disaster, Radicalism Prevented, Advancement Encouraged.

A comprehensive summary of the work and accomplishments and the multiplicity of emergencies and seri-ous problems that have confronted Mayor Baker during his term as the city's chief executive has just been

This summary shows a most re markable record on the part of Mayor Baker in meeting problems and difficulties in advance of disaster. The ficulties in advance of disaster. The report outlines the work of the mayor during the war period and during the period of reconstruction up to the present time, showing his action in connection with the "winthe-war" programme, the prevention of radicalism and disorder and the handling of municipal and civil affairs and problems for the growth and upbuilding of the city. and upbu'lding of the city. The report shows that the three

and one-half years he has been mayor have been beset with more problems and emergencies than probably any like period in the city's history. Following is the record: Baker in Office in 1917.

Took office of mayor July 1, 1917, soon ter the United States entered the war, Began, forthwith, to organize to put reland in the lead of all cities in war

Fortland in the lead of all cities in war work.

Aided in organization of home guards for protection of water system, docks and all public property.

Organized comprehensive plan whereby entertainments were given and \$12,000 ialsed and placed with all groups of Oregon soldiers for emergency use.

Took leading part in organizations raised funds for their pure of the war work.

Organized committee and personally handled farewell dinners and personally handled farewell dinners and entertainments and parades for all groups of soldiers leaving for service after troop movements were allowed made public by the government.

J.C. ENGLISH CO. RADIANTLITE

—the One Best Light for Every Business

Auto-type Reflectors Silver plated; highly polished.

Enclosed

Lamp and reflector are entirely en-closed; dust proof. Bowl of special light-diffusing glassware.

> Ceiling Shadows Eliminated Plain or Decorative

meeting every requirement.

There are no dark corners to foster inefficiency where Radiantlite is installed. Its soft, even light penetrates-everyone working within its radius can see easily and distinctly.

Displaying Merchandise

Radiantlite shows up all your goods, and shows them up fairly. There's no blinding glare on mirrors or glass cases; no time wasted carrying merchandise to door or windowno mistaken impressions about color or quality. Goods sold under Radiantlite stay sold.

tor

Shop and Factory

Adequate light, light of the right quality, is vital to shop and factory. Accidents due to faulty, confusing illumination can be eliminated. Because proper lighting makes production easier, output invariably increases under Radiantlite, paying for it over and over again.

tor

Office and Institution

Radiantlite makes unnecessary the "cluttering" desk lights and fixtures-and gives more light. Removal of the glare on books eases up eyestrain and allows more book work to be done more accurately. Whatever the size of your office, it can be perfectly lighted with Radiantlite.

This booklet gives you a glimpse of the big accomplishments and the efficiency of Radiantlite

> Sixteen pages of valuable and interesting lighting information yours for the asking.
