Massive Overstuffed Suite Reduced

More Than **\$203.00** Buy Single Pieces or Suite Complete

We sincerely urge you not to judge the quality of this offering by the incredibly low price. Withhold your verdict until you have seen this beautiful suite—then we think you will be as enthusiastic over it as we are, for the suite is very desirable. The pieces are massively overstuffed; the covering is that deep, rich tapestry that one finds only in the best furniture; the design is original and distinctive; the seats, backs and cushions are literally a mass of spiral springs; all padding is of clean, new cotton and sea moss. Surely you will grant that this is a wonderful value.
