

SOCIETY

PREPARATIONS for the Christmas tide will occupy the early days of the week and then will come the big holiday, the day for family gatherings, for remembering the poor and the unfortunate, a day of kind deeds and a day set aside for the giving of gifts and with these gifts there should go a kindly thought, a spirit of love and friendliness. Society, while planning for the immediate family and for dear friends is not forgetting those who are less fortunate than themselves.

Dances are being planned and other festivities scheduled, but the family will claim Christmas eve as the home evening. The children and the grand children will be the center of interest. The Christmas carol will find its place wherever music is a feature. There is a certain sweetness in the old song, "O Little Town of Bethlehem," or in the music and words of "It Came Upon the Midnight Clear, That Glorious Song of Old," and there's a spirit of rosy and merry-making in some of the more ancient Christmas carols.

Some of the young people of the Irvington district are planning to sing carols. There is to be an Irvington club entertainment Monday when the children will give a French play. Wednesday evening Mrs. J. W. C. A. assisted by the Drama League will be a big attraction at the Helix. Games and other wonderful people will be in the cast.

During the past week there were several bridge parties and considerable entertaining for visitors.

Mrs. Henry Ladd Corbett was hostess at one of the most interesting of the dancing parties. Honor guest for the occasion was Miss Gaius Owen Baird, fiancée of Joseph Minott, who is visiting Mr. Minott's mother, Mrs. Arthur Minott.

Mrs. Corbett entertained Thursday at her home at River, and 15 or more members of the younger set motored out the Riverside drive for the dance.

Among the events to be noted on the social calendar are: December 22, Y. W. C. A. play; December 27, Chi Omega's smart ball at the Multnomah; December 28, University of Oregon's dance; December 29, Reed college alumni banquet at Benson hotel; December 31, University club's annual.

For the week between Christmas and New Year holiday festivities will open with the Chi Omega benefit dance to be given Monday, December 27, at the Multnomah. The organization will give the dance for the benefit of the milk station now being established at Ladd school. Under-sourfed children are to be supplied with milk each school day. The milk station marks the return of the sorority to pre-war social service work, for during the war, all efforts were directed to relief needs of the army and navy. In accordance with a national policy of the sorority the Portland chapter will put its energies into the Ladd school station. Prior to the war, the sorority maintained a hot lunch room in the Stephens and later the Albina Homestead schools for a period of four years.

As a reunion for all college folk who are home for the holidays, the dance promises to be a delightful event, and for any Portlanders who are interested in helping to provide Ladd school kiddies with a daily glass of milk, the party is of great interest.

Several prominent women are announced on the list of patronesses. They are:
