FOR SALE-TRUCKS AND TRACTORS.

THE DOPE from the council fire of the wise men in the east is that prices have hit the bottom, that people are about over their scare and that we are soon to see the dawn of an era of renewed contidence, buying activity and prosperity more solid and substantial than any yet experienced. To start the good movement we have made startling reductions in prices and terms on all used tracks and have extended our usual liberal guarantee to an almost unheard of degree. We have used tracks of all makes and sizes. Come in and look them over.

THE CONFIDENCE of the public is priceless, therefore we do not hold so-called auction sales but have gone through our stock of used trucks and established an unheard-of low price. Come in and go over our list and be convinced.
