Every Woman An Expert Dressmaker Thanks to THE DELTOR

The Deltor is a picture story of every step in making a garment. It shows how to cut for any size, of any pattern, out of any width of material—how to put together with perfect accuracy—how to finish perfectly. Every woman will rejoice in the advent of The Deltor, the new Butterick invention which goes with Butterick patterns. Never again need a homemaker have a homemade look—thanks to The Deltor. Ask our pattern experts to show you The Deltor. —Meier & Frank's: Second Floor.

FLEUR DE LIS Hand-Made Blouses for Easter

To mention price in connection with these exquisite blouses seems a sordid matter, but the prices are so attractive that we cannot forbear quoting them at the outset—\$5 to \$20.

The blouses themselves are the most beautiful and most distinguished we have ever received from this famous house. Every stitch made by hand, they are lovely things of fine batiste and voile, with drawn work and embroidery; some have frills edged with real filet and they are finished with hand hemstitching.

With their long roll collars, these blouses are especially adapted for wear with the new sports suits and sweaters.

IN the world of Easter fashion nothing can take precedence of the new hat. From leading importers and designers and from our own workrooms comes this Easter presentation, a collection of fascinating new millinery that no woman will want to miss. Individualized millinery for every occasion of the Eastertide.

New Pattern Hats

from recognized creators of the most artistic millinery—large transparent hats—models of milan, cellophane and bright, shiny braid—flower-trimmed hats—their variety is infinite.

NEW LOWER PRICES throughout the Millinery Salon make the choosing of Easter bonnets here an affair of unalloyed pleasure.
