UNSIGHTLY FRECKLES Instantly Removed

Try this simple formula: Go to any toilet counter and get a bottle of Derivillio; apply two or three times daily then watch the freckles disappear. The very first application proves it. Once you try it you will never be without it. Thousands use it in place of face powder as it not only removes freckles, but instantly beautifies the complexion as well. There is no substitute for Derivillio as no other freckle remover does this. It gives you a rosy, white, velvety skin everyone just loves to touch. Sold at all department and drug stores with the distinct understanding that if you are not pleased in every way you get your money back.

NOTE—A leading druggist, recently interviewed, said: "We have never sold any freckle remover which gives better satisfaction than Derivillio. It is having an enormous sale and we gladly refund the money to anyone dissatisfied. It is guaranteed absolutely harmless, and is sold at all toilet counters in this city, including The Owl Drug Co.—Adv."

\$39.50
\$49.50
\$59.50

They are a revelation in moderate pricing!

—Nor has quality been sacrificed for price!—for we have gathered here only the newest—the smartest and the most becoming!—There is about them the perfection of line, the fineness of fabric, the delightful little touches of individuality that you would expect in garments at a much higher figure!

Easter Sunday
March 27th!

Easter Blouses

have borrowed their colorings from the rainbow.

—They are fitting companions to the new suits. Some of them regal affairs of Georgette crepe encrusted heavily with shimmering beaded designs—many of them have found best expression in elaborations of filmy laces—

—One of Fashion's quaint little whims is the Byron Collar which appears primarily on tailored blouses—while the blouse with cascading frills will temper the severity of the sports suit—

—Such lovely hues as tomato, honeydew, Nile, Neptune, Rattan, Rust and Zinc gray have made their appearance—

Prices range from
\$4.95 to \$35

Easter Hats

were never so picturesque

—Because it is the fashion among Millinery modes to revert to olden times for inspiration, Millady may have the delight of wearing hats that tilt charmingly and with just a hint of the shepherdess in their fetching droop—

—Bewitching garnitures trail nonchalantly onto the shoulder—and everywhere there is the radiance of bright flowers—

—We are splendidly ready with the most delightful bits of Easter headgear—and prices are surprisingly modest—

Watch Our Windows

From the very moment we threw our doors open for our great Retiring Sale Friday at 10 A. M., a constant stream of people poured into our store and an enormous amount of goods was sold, and we were compelled to close our doors many times to prevent a crush and accidents.

The Sale rolls on with renewed vigor Monday morning with many new, wonderfully marked-down attractions. We will not stop until the entire stock is sold out clean, for we must get out very, very soon.

Fresh ammunition in the way of magnetic, startling price attractions will be displayed as often as we are compelled to change the showing. These need no comments. They speak for themselves and tell the story quickly and forcibly.
