Committee Lays Plans for Spring
Fun to Be Given by Merchants'

A dance at which one will have a good opportunity to win his breakfast and to carry it home under his arm is to be one of the novelties at the first annual dance and card party of the Portland Grocers' and Merchants' association, which will be held in Christensen's hall on Thursday evening, March 24.

Wholesalers and manufacturers of food products have vied with each other in donating prizes to be distributed to those in attendance. Already the prize list includes candy, ham, bacon, flour, butter, brooms, cookies, cereals, cakes, biscuits and the like.

A meeting of the floor and reception committee was held Thursday night in the offices of the association in the Lewis building to iron out all the details. This committee consists of A. G. Hawaii Radio Heard in Sweden.
HONOLULU, T. H.—(Correspondence of the Associated Press).—Clear signals from the navy's big radio towers at Pearl Harbor, near here, were distinctly heard by the ship's wireless set on the shipping board steamer Eastport, while that craft was lying in the port of Stockholm, Sweden, according to advice received by Lieutenant-Commander B. C. Raguet, district communication superintendent, from H. M. Lundgren, wireless operator aboard the freighter.
