# **BEATS ALL RECORDS**

Washington and Oregon Output 8,841,578,000 Feet.

FEDERAL REPORT QUOTED

West Coast Lumbermen Send Out Bulletin Regarding Work Done Last Year.

All Pacific northwest lumber production records were broken by the Oregon and Washington lumber outcompiled by the United States forest service here and announced by the West Coast Lumbermen's association. The report showed that the two states produced 8,841,578,000 feet of lumber

States.

The cut was shown to have been an forcesse of 12 per cent over 1918, 21 per cent over 1918 and 56 per cent over 1915.

Two False Starts Made on Road to Recovery.

Best Opinion Still Adheres to Belief Big Improvement Will Come by End of Summer.

BY STUART P. WEST. (Special Correspondent of The Oregonian. Copyright, 1921.)

NEW YORK, May 21.-The security markets, since the termination of the acute strain and panic condition at the close of last year, have had two false starts on the road to recovery. One of these came in January, the other in April, and the characteristics in both cases were too much optimism regarding the possible of our

Improvement Only Bally. There is no use denying that in cer tain directions the course of the recent trade movement has been disappointing. The improvement in the motor industry, about which so much was said a month ago and which really formed the more important incentive for the April rise i stocks, proved to have been nothing more than a temporary rally. In the same way the oil trade has not sustained the signs a few weeks ago.

turned the corner, has been set back into

Including wheat and flour shipments to California, the Atlantic seaboard, the east and west coasts of South America, South Africa and Hawaii, as well as Europe and the orient, the total from the Pacific northwest to May I amounted to 39,086, 17.662.75 per dozen; peam 14.8170 per northwest to May I amounted to 39,086, 17.662.75 per dozen; peam, 17.662.75 per dozen; beams, 17.662.75 p 2500 Children to Participate in the orient, the total from the Pacific of recovery which appeared so promising a few weeks ago.

There is a difference of opinion as to whether the recent price cutting is due to a real excess of supply over demand vancouver schools was announced in whether the recent price cutting is due to be held here May 27 by the years ago they were 20,-119,810 bushels. For the ten years preceding 1918 exports during the same months averaged about 25,000,000 bushels.

market at the close of the week because of California demand. Shippers offered 90c@\$1 at country points. Local trade in old potatoes was fair.

Recoveries of 10 to 25 cents per 100 pounds have been reported from leading eastern markets for old potatoes. Sacked round white stock advanced 15 cents at northern shipping points, closing at 75@ 85c, and the Chicago carlot market gained 10 to 15 cents, reaching 90c@\$1.05. New York round whites advanced 10 to 25 cents in eastern centers, closing at a range of \$1 to \$1.33.

Shipments of old potatoes decreased dur-

ing the week. Total movement was 2185 cars, compared with 2416 last week and with 2767 cars two weeks ago. This brings the total shipments of the main crop up to 147,402 cars. In the spring and summer of 1920 there were 33,967 cars of carly potatoes reported shipped, which makes a total movement for the 1920 pro-duction of 181,369 cars.
