Scoop: Meier & Frank buyer gets some of the richest treasures in New York April rug market—rushed here in time for this remarkable

Sale of 2000 New Rugs

MOST of the rugs in this important May sale were purchased by our buyer at the large New York rug sales in April. Representatives of stores in all parts of the country were on hand eager to secure this fine merchandise. Things started slowly—buyers were disposed to wait in the hope of influencing lower prices. The Meier & Frank representative reasoned otherwise—and bought at the very outset of the sale, at much less than the prevailing market prices.

THE EVENT vindicated his judgment—a reaction set in—the earlier hesitancy gave way to the keenest competition—prices went up and have stayed there. That is why we are in a position to offer these new, first quality Axminster, Brussels and Velvet rugs at prices that represent a saving of fifteen to thirty per cent on the new low basis. Various desirable qualities are in the sale in all standard sizes. The rugs will be arranged for easy choosing according to lots.
