GRANGE MEETS TUESDAY

STATE SESSION IS TO BE HELD IN EUGENE. Feature of Opening Day Will Be Grand Street Parade—Executive Body to Be Named. With delegates present from all sections of the state, the 45th annual meeting of the Oregon State Grange will convene at Eugene Tuesday for a four-day gathering. Problems of interest to the members of the organization will be taken up for consideration and there will be reports from various committees. A feature of the opening day of the convention will be a grand street parade at 11 o'clock. This will be preceded by the opening session at 10 o'clock in the Elks' hall at which there will be a roll call of officers and delegates.

The election of a member of the executive committee will feature Wednesday's business. The conferring of the fifth and sixth degrees on a number of candidates will be taken up at one of the night sessions. The programme of the convention follows: Tuesday. Morning—Opening session in Elks' hall at 10 o'clock; roll call of officers and delegates; report of committees on credentials; reports of officers. Night—Reception in Oregon State Grange. Wednesday. Morning—Business session; special order, election of member executive committee. Afternoon—Business session. Night—Lecture programme. Thursday. Morning—Business session. Afternoon—Business session. Night—Conferring fifth and sixth degrees. Friday. Morning—Business session. Afternoon—Business session; memorial exercises. Night—Business session; closing.

TEACHERS TO TAKE TEST.—Examination of applicants for the municipal certificate will be held at room 720 in the courthouse the four days commencing Wednesday, June 8, according to announcement made yesterday by W. C. Alderson, county school superintendent. The examination is held earlier than usual this year owing to the fact that the last legislature changed the time from the last Wednesday in June to June 8, 9 and 10.

DR. JOHN G. LAKE, of the Portland Divine Healing Institute, 129 Fourth street, will give a series of lectures at the community house in Peninsula park Monday night under the auspices of the Hayden Island Improvement club. The gymnasium where the concert was given was packed to the doors and another crowd stood outside on the pavement. Following the programme W. M. Killingsworth, vice-president of the club, spoke briefly, thanking the chorus for the entertainment. The women of the club then served punch and wafers.

PERDITION TRAIL IS OPEN. NEW ROUTE UNFURLS MANY SCENIC BEAUTIES. Cable Anchored for Comfort of Visitors Who Wish to View Lonesome Corner. Perdition trail and all its attendant attractions is formally presented to the outdoor devotees of Portland by the bureau of parks. Perdition trail is the new short trail from Wah-Kee-Nah falls to Multnomah falls, extending along the face of the cliffs in Benson park. The new route is 4800 feet long and gives a connection between the falls and a view of new scenery which is not possible from the long five-mile trip. For those who are not too strenuous, but who want to get an idea of the park from other places than the Columbia highway, the trail is especially interesting.

Three outstanding vista points have been designated as Flat Fir point, the Altar of the Gods and Lonesome Corner. Flat Fir point is a moss-covered rock with a wind-blown fir flattened against the stone, just below it. From here a splendid view may be had up river. The most unique place on the trail is the Altar of the Gods, a great pile of rocks, resembling an ancient place of worship. The altar tops a sheer cliff of several hundred feet. A panorama of the Columbia gorge is possible from this point.

Lonesome corner is off the main trail and is reached by a short side path. The corner is a tiny shelf of rock from which the Multnomah falls may be viewed from the west side. A cable has been anchored in the rocks and placed around a huge fir tree so that visitors may enjoy this hazardous spot with some degree of comfort.

Perdition trail is to be preferred going east from Wah-Kee-Nah to Multnomah falls. C. F. Wiegand, assistant superintendent of parks, inspected the trail recently and pronounced it ready for the public. The photographer will find that the trail offers a wealth of picture material.

ALBERS' FATE JUSTIFIED

Class Distinction Has No Place in America, Says Critic. PORTLAND, May 28.—(To the Editor.)—The Earl of Chatham, England's great statesman, once said: "Show me the laws of a country, and I will show you the conditions of its people." Starting from the above declaration, one is led to believe, when reading the people's letters in the press on the Albers case, that conditions lean toward class legislation in this country. Why this false impression? Two United States courts found him guilty of sedition talk. No doubt, this false impression originated from a time when we did have two anti-trust laws—the Elkins trust law, which only prescribed a fine and was intended for the rich, and the Sherman law, which prescribed a fine and imprisonment, or both, for the industrial classes.

But not so now, as the new law that was passed by President Wilson's administration bears upon all alike, be he rich or poor. The United States circuit court did its duty; also the court of appeals in upholding the lower court in finding Albers guilty of sedition talk to displace his pro-German love for his native country he had left some 40 years ago, coming to a country of the free that gave him more freedom and enabled him to get rich by sell-

ing his product to the United States government and the American people. If Albers thought Germany was above all, why did he remain in the United States? Was it to run down the American army and criticize the country on two or three occasions, as he did? Wealth and intoxication in the eyes of the law have proved to be no excuse for Albers' acts, nor should his wealth excuse him from being behind the bars, like other political prisoners who said, "I did less and have not been punished as the president."

Then, by what authority does the attorney-general reverse the decisions of the United States courts? Albers should serve his term and pay the fine imposed on him by the courts. Then this would give him some excuse to say, "Deutch Land Uber Alles!" CHARLES D'HEIRY.

BILL SAID TO AID GRAFT Proposed Marriage Measure Held Panacea for Physicians. PORTLAND, May 28.—(To the Editor.)—At the coming special election next month (and, by the way, the special June elections seem to be almost as popular as June bridegrooms) there are a number of questions submitted to the voters will be one entitled "Hygienic Marriage Examination and License Bill."

In this bill it is required that all applicants for a marriage license must submit to and pass an examination by a licensed physician, as to their mental and physical fitness, and so forth and so on. It further provides that an affirmative argument for the bill shall be printed in the official pamphlet, which is mailed to each voter of the state. As the first objection to this bill, I raise the point that whenever parties advocating the passage of any measure present only the "aid of the argument" it is an admission of weakness. The voters are the jury that must pass on this subject, and no jury can render a fair verdict with only one side of the argument. It is begging the question to assert that the opponents of this measure may be in the wrong, and that the measure is just. They say in effect that the voters must be ever on their guard to counteract the work of their paid legislators. The outdoor devotees of Portland by the bureau of parks. Engagement and Wedding Rings

ANTICIPATING the usual June-time demand for engagement and wedding rings, we are prepared to suit almost any fancy and purse; the very latest effects in Platinum, 18-Carat White Gold and Plain Gold. Our famous special \$100 diamond ring still maintains the lead, of course, as the popular engagement ring, but for those who wish something more elaborate there are rings priced from \$150 to \$2500. Also some lovely diamonds, much less than \$100. In wedding rings, both plain and engraved, as well as some diamond-studded rings, we offer unusual variety.

THE BRIDE'S WEDDING GIFT A bar-pin of platinum or white gold; a string of genuine pearls, perhaps Add-A-Pearl, or a peckling of the Orient or Florette Imitation Pearl. You will find many other suggestions here. Jaeger Bros. The HALLMARK Store of Portland 131-133 SIXTH ST., OREGONIAN BLDG.

FOSSIL HONORS TEACHERS Presents Are Given to Staff by Residents of City. FOSSIL, Or., May 28.—(Special.)—A delightful surprise was tendered Professor and Mrs. C. J. Tucker at their home Wednesday afternoon by the Parent-Teacher association and other friends. Professor Tucker has been superintendent of the Wheeler county high school and also the Fossil public school for the past two years.

Mrs. C. A. Morris, on behalf of the Parent-Teacher association, presented a beautiful set of silverware to Mr. and Mrs. Tucker. The Tuckers expect to spend the summer in Philomath. Later Professor Tucker plans to take post-graduate work at the University of Oregon. The Parent-Teacher association also presented gifts to the high school teachers who are not returning. They are Miss Ruby Olson of Corvallis, Miss Effie Schaulch of McMinnville and Miss Laura Simmons of Fossil.

He Profits Most Who Serves Best

THE EXTENT to which a store really serves the needs of a community in the line of goods sold determines the value of that store to its constituency. Our business being that of supplying the business men of this city with such things as are needed for the most efficient working of the members of their office organizations, we must, if we are to live and profit as an institution, meet those requirements to the best of our ability.

We must really serve. We must sell and try to sell only those things that, in their use, will be of real assistance to the men to whom they are sold. No better recommendation could be found than this. Our very business life depends on your satisfaction in what we sell you, and when we ask you to consider the purchase of Office Equipment we stake that life on the article.
