SITUATIONS WANTED—MALE

WHY SO ROTTEN?

I have answered about 100 "Help Wanted" and during the past six months and have inserted at least a dosen ads for work without getting even one response. Have employers ignored the "Situations Wanted" columns entirely? There must be something radically wrong in this much-heraided city of prosperity. I am a taxpayer and homeowner here and am losing properly through high taxation and lack of employment, having been forced to horrow money and otherwise burden myself in a manner that spelis "bankruptey" for I have been unable to support my family as a white man should be able to do in any triving city. If you need a thoroughly reliable and efficient man, let us get together; have many years' experience as office manager and am first-class references as to ability and integrity; am not ashamed to give my name, but do not want to appear as a knocker and will kindly ask you to address BD 538, Oregonian.
