RECORDS SMASHED AT PASADENA MEET

New Junior Championships Are No Novelty.

INFIELD CONTESTS GOOD

Frazier of Baylor University, Texas, Clips Fifth of Second From High Hurdles.

PADDUCK FIELD, Pasadena, Cal., July 2.—New junior championship records were no novelty in the first day of the National Amateur Athletic union meet here, in which the contestants were tried athletes who had never taken first place in any senior Amateur Athletic union meet.

The first record to fall went to Frazier of Baylor University, Texas, who set a mark of 15.5 seconds in the high hurdles, clipping one-fifth of a second from the former record. Frazier also won the 220-yard hurdles, making a new record of 34.2-4.5 second less than the former junior record.

The infield events were also well contested. M. Howell winning the high jump at 6 feet 1 1/2 inches. The pole vault record also fell. Emmans of Los Angeles Athletic club winning at 12 feet 7 1/2 inches.

The first tabulation of points gave Los Angeles Athletic club first place with 55; Olympic second with 45, and the others far below. The programme continued until after 5 o'clock.

when they learned why the crowd had gathered many of them remained to swell it.
When the flash was given that Dempsey had won there was a big cheer, but it was mostly from boys and from men who had wagered on the American. There was a strong sentiment here in favor of Carpentier.

JOE GORMAN PROUD PAPA

Portland Boxer Father of Eight-Pound Youngster—A Boy.

Joe Gorman, Portland boxer and featherweight champion of the Pacific coast, is telling all of the boys about his eight-pound son, born Thursday night. The youngster is almost half as big as Joe right now and will soon outstrip his daddy, if he takes on much weight. His name will probably be Joseph Jr. However, Joseph sent Joe a note here. It is Donninguez, but it is not likely that it will be Joe Jr.'s official cognomen.

LYCETT, MISS RYAN WIN

MAJ WOODMAN AND MISS F. M. HOWKINS BEATEN.

Superb All-Around Tennis Played With Hard Driving and Aggressive Volleying.

WIMBLEDON, July 2.—Randolph Lycett of England and Miss Elizabeth Ryan of California defeated Maj Woodman and Miss F. M. Howkins of England in the final of the mixed doubles in the British turf court tennis championship today, 6-3, 6-1.

Lycett and Miss Ryan played a superb all-around game, with hard driving and aggressive volleying.

William T. Tilden of Philadelphia, world's lawn tennis champion, successfully defended his title in the challenge round of the British turf court championships, defeating B. I. C. Norton, the South African star. The score was 4-6, 2-6, 6-1, 6-0, 7-5.

Tilden won the match by a superb uphill struggle. The contest was one of the closest and most sensational ever witnessed. Beaten in the first two sets, he returned to form in the third, winning this and the fourth, 6-4, 6-0.

In the fifth and deciding set the play was at first in Norton's favor. He led, 3 and 2 and 5-4. Tilden took it to deuce, however, and then captured the set and match by winning the next two games.

Tilden, by his victory, retains the title he won at Wimbledon last year, when, by playing through the tournament and defeating Gerald Patterson of Australia in the challenge round, he captured not only the British championship, but what is generally conceded to be the world's title.

NATION'S NET STARS TO PERFORM HERE

Oregon's Match Attracts Championship Players.

CLASHES PROMISE SPEED

Crack Tennis Folk to Stage Big Classic Event in Portland for State Honors.

Tennis players from Oregon, California, Washington, Idaho and British Columbia are anxiously awaiting the Oregon state championship tournament, slated to get under way on the courts of the Multnomah Amateur Athletic club July 11. Entrance blanks have been received from players from cities in these states and before the first closes it is expected the tourney will include more outside players than any similar event held here.

Carl Gardner and Phil Bettens, state doubles champions, forwarded their blanks to the committee here last week. Bettens is at Spokane playing in the Inland Empire championships. Herbert Suhr, his partner in the junior doubles in California, which event they won last week, is with him, as is Charles Stickeney. They will make time to get in a few practice matches previous to the state classic.

Gardner will be unable to come for the singles and will arrive some time later in the latter part of the tournament. In the doubles, Bettens will not be called upon to play until the final day because the rules of the tournament say that they must defend their title in the challenge round. This round will be played Saturday, July 16.

Stickeney Fast Player.

Stickeney is an experienced player, past 40 but recently showed his class in the coast championships at San Francisco by disposing of Parker and Murray Clark in the early rounds. He was scheduled to meet Roland Roberts, but had to default this match, as he had to leave in time to reach Spokane.

Bettens, who will be remembered as one of the classic youngsters ever to play in Portland, and as a partner, Suhr, are about on a par in ability, according to advices received from the south. They will make the entire northwest circuit this year, playing in Portland, Spokane, Seattle, Tacoma, Vancouver and Victoria. In the Pacific coast junior tournament Suhr beat Bettens in a hard-fought five-set match, and also beat him in a tournament here last fall. They will partner everywhere except in Portland, where Gardner and Bettens will pair up. In that case Stickeney and Suhr will play doubles.

Gardner Regaining Form.

Gardner, who has been ill a great part of the time the past winter, is rapidly regaining his old-time form and is expected to show up well here. Bill Johnson, Pacific coast champion and famous in the early days, had a hard time disposing of him in the coast championship. The match went to three sets and was one of the most exciting played in the tournament.

It seems assured that Marshall Allen of Seattle and Wallace Scott of Tacoma will attend. Both players are in top-notch form. Bill Ingraham of Oakland, B. I., will also be expected to enter all events in the circuit. He is one of the best players in New England. His partner, Wallace Scott, has an added attraction for the week. Although only a youngster, he won the recent New England interscholastic championship at Harvard.

Another outside entry was received from Sidney Carriss Jr. of Hood River, an old Boston player of considerable ability. Harry Gray, chairman of the winged "M" tennis committee, is rapidly rounding things into shape for the big event. With the two new courts at the club ready, there will be plenty of room for the matches. Last year a scarcity of courts the first few days proved a handicap. Arrangements have been made to have a set of bleachers removed outside some of the courts for the spectators.

Sterling silver first and second prizes will be given to all winners. These have been selected recently and will be placed on exhibition at Fieldhouse on Tuesday. The new Alice S'iston Devereaux trophy for the ladies' singles will be exhibited at the same time. A tent will be put up on the lawn near the clubhouse for refreshments will be served throughout the day.

LEONARD CANNOT FIGHT

LIGHTWEIGHT KING UNABLE TO MEET FREEDMAN.

Joe Benjamin, Sparring Partner of Jack Dempsey, Will Take Place of Thicholder.

BENTON HARBOR, Mich., July 2.—Benny Leonard, the world lightweight champion, today sent word to Floyd Fitzsimmons, promoter of the fight in which Leonard was to defend his title Monday against Sailor Freedman of Chicago, that he would be unable to appear and Joe Benjamin, Pacific coast lightweight, will be substituted for Leonard.

Arrangements were completed this afternoon by telephone with Jack Kearns, who manages Benjamin as well as Jack Dempsey. Kearns said that if possible Dempsey would accompany Benjamin, leaving New York tonight. Benjamin was said to be in perfect condition, as he was one of Dempsey's sparring partners during the training for the Carpentier match.

Besides the Freedman-Benjamin bout, Frankie Mason of Fort Wayne, Ind., will defend his national flyweight title against Jimmy Kelley of Chicago, and several other bouts will be arranged.

Leonard, according to word received here, was willing to fight Freedman had the Michigan boxing commission decided he was fit.
