AT THE COVET MOTOR CAR COMPANY

Mr. Covey has just returned from eastern automobile centers, where dealers from all over the United States were assembled. Shown facts and ilgures regarding our sales volume, these dealers were assumited and after an explanation of our merchandising method, as well as welling polity, we were accorded unanimously a hearty applause.

Portland automobile dealers acquainted with the facts readily concede that the new and used car business we are doing is quite above the average.

It is because our business policy radiates friendliness, kindness, service and in each transacting as mutual benefit.

It is because our merchandising method and the contraction of the FOR SALE-AUTOMOBILES. SELECT YOUR CAR FROM THIS LIST.
