It Is So Gratifying to Have the New Things Come at Prices So Moderate

Such an agreeable change from conditions that Autumn has always brought in recent years.

Now one may enjoy the new things desired with so much less thought of the cost of it all.

Actual reproductions.

\$6.95 Solves the First Fall Hat Question in This Extraordinary

Sale of New Baronet Satin Creations

—To start the season smartly with a hat that costs so little is an achievement worth any woman's while. The models in this sale will bear critical inspection.

—Turban, sailor, toque, Chin Chin and mushroom shape, small and medium, with trimmings of moire and other ribbon on brim or crown, and many with fashionable self-trimmings in lovely crushed effects.

—Of baronet satin, light and cool for present wear, yet a fall material in fall colors and styles—navy, brown, black and white with self or white facings. A fortunate special purchase gives them to you at \$6.95. Shown Monday for the first time.
