Injured in the industries, the Oregon commission places many of its cripples in schools, while hospitals are maintained for the convenience of these needing medical treatment. There also has been added to the commission industry nurses and other departments which have tended to relieve the injured and provide for their financial comfort.

Although conditions now are some.

their financial comfort.
Although conditions now are somecommission said today that there was no indication that there would be any drastic decrease in the amount of business transacted by the department. Temporarily, it was agreed, the receipts of the department would show a falling off, while the same will be true of the disbursements.

OFFICIALS TO APPEAR IN SALEM TUESDAY.

company and the Pacific Telephone & Telegraph company have been cited to appear before the Oregon public service commission here Tuesday and show cause why both corporations should not use the same set of poles on the Columbia River highway in the & Electric Company's Property.

SPELL UNBROKEN

Drizzle Insufficient to Be Recorded by Weather Bureau

The home gardener who arose be-fore breakfast yesterday morning was delighted to see and feel the beginning of a drizzle and he hastened to bring in off the line the clothes that Mrs. Gardener had left out the night before. His joy was short lived, however, for the promised shower stopped almost as soon as it started and was insufficient even to lay the dust is

Huckleberries in large quantities are now ripe and ready for picking along the Wauna point trail which leaves the Columbia river highway Co., Dept. 265, Rochester, N. Y.—Adv.

near the Eagle creek camp grounds, according to information from the forcest service here. The report states that the berries are found to be the best between the four and five-mile posts, and they will be in season un-

posts, and they will be in season until about the first of September.
Directions on how to reach the berry territory are given in the report as follows:
"The trail is well posted and parties coming by auto should park their car at the Eagle creek camp grounds, instead of on the highway near the entrance to the trail. Leaving the highway at an elevation of 68 feet one climbs on a 15 per cent grade until the height of 2250 feet is reached. The last water along the trail is found at the 2½-mile post and parties planning on remaining on top

"Owing to the dry condition of the forest everyone is urged to use special care with fire."

Establishment of Second Line on Route of Columbia River
Highway Opposed.

SALEM, Or., Aug. 13.—(Special.)—Officials of the Postal Telegraph company and the Pacific Telephone &

PLANT OF UTILITY SOLD

on the Columbia River highway in the vicinity of Goble.

The Postal Telegraph company recently started the construction of a new pole line along the Columbia River highway, with the result that J. M. Devers, attorney for the highway commission, threatened to institute injunction proceedings to halt the project. It was alleged by the attorney that the installation of another pole line would destroy the attorney that the installation of another pole line would destroy the beauty of the highway and detract from the native scenery.

A few days later the Postal company sent word to Salem that work on the line had been abandoned, pending an adjustment of the controversy. It was predicted here today that the care and controlled the controversy.

It was predicted here today that the Fostal Telegraph company and the Facific Telephone & Telegraph company would agree to the common usage of the latter's poles at Tuesday's conference.

Medford, one and one-half acres each at Grants Pass and Roseburg.
The company's affairs have been in litigation for a year, and the sale is expected to straighten them out.
The future plans of the company will not be made public until after a conference, to be held at San Francisco this week.

Have Lived Nearby.

PENDLETON. Or., Aug. 13.—(Special.)—Foul play is suspected in the case of the death of Matt Jepson, a bachelor hermit, whose lifeless body was discovered this morning in an open well on his ranch near Little Meadows, in the mountains, 18 miles east of Milton. Jepson had been missing for some time, according to reports reaching here tonight. His body was found by Jim Dykes, a deputy sheriff, of Milton, who made an investigation acting on instrucan investigation acting on instruc-tions from the county sheriff's office. It is said that tough characters are

Motive for the deed was a complete mystery. Jepson was a pioneer of that vicinity and was not thought to be wealthy. His house was found not to have been ransacked and personal possessions had not been removed from his clothes. No residents of the sparsely populated district could give a clew, according to Brady.

Coroner Brady and Deputy District

Attorney Randel will visit the scene tomorrow morning to investigate the

mna Lefker.

Aug. 13.—(Special.)

downtown, at a point below Fourteenth street.

The proposed bridge, which private
interests are premoting, would cost
\$200,090,090. A corporation has been
organized and is seeking capital.

This bridge would rise from New
York near Fifty-ninth street and deseem into New Jersey at Weehawken.
Most of the ferries and all the tubes
are below this point, but the growth
of business in New York already has
driven out many dwellings as far
north as Fifty-ninth street and substituted office and loft structures.

The bridge's lower deck would accommodate 12 railroad tracks, while
on the upper span there would be
room for 16 vehicular pathways, four
troiley I nes and two broad promenades. Supporting towers on either
end of the over-water span would be
tailer than the Woolworth building. their financial comfort.

Although conditions now are somewhat uncertain, members of the commission said today that there was

SLAYING OF ALABAMA PRIEST CHARGED TO BARBER.

Catholic Bishop Says Death Is Culmination of Propaganda by Crooked Politician.

BIRMINGHAM, Ala., Aug. 13.—A warrant charging murder was sworn out today by Coroner Russum against Edwin A. Stephenson, barber and preacher, who shot and killed Father James E. Coyle, rector of St. Paul's church, late Thursday. The coroner announced a verdict of "unlawful homicide."

homicide."

The priest was slain a few hours after he had performed the marriage ceremony which united Stephenson's daughter and Piedro Mussman, a Catholic. The girl has not returned to the parental roof since the killing, it was stated, members of the family declaring they believed she and Gussman had left the city.

In the funeral sermon, Bishop Allen declared that Father Coyle's death was the culmination of "propaganda carried on by a few unprincipled politicians, aided by nondescript mounte-

iticians, aided by nondescript mounte-hanks."

"This is the work," he continued,
"of those who are carrying on propa-ganda of hatred against the Catholic church. These unprincipled politi-
