

SEATTLE TRIUMPHS IN DISTANCE FLYING

B. B. Farr Keeps One Casting Title in Far West.

WORLD'S RECORD BROKEN

Chicago Sportsman Gives Remarkable Exhibition of Throwing Fly With Light Tackle.

BY GEORGE COWNE

At least one of the 1921 national fly and bait casting titles will remain west of the Rocky mountains. B. B. Farr, Seattle expert with the red and reel, and one of the leaders in the angling world, was out on the water yesterday at the Sellwood park casting pool when he led the field in the 5% ounce distance fly event. His average for the three best casts was 109 1-3 feet. His longest cast was 113 feet and his two next best, 110 and 105 feet.

The contest for the distance fly event was keenly contested and there were many ties for places after the winner had been decided. George G. Chapp of the Illinois Casting club gave a remarkable exhibition of distance fly casting. He cast a 5% ounce fly in casting off for second honors, when it was at first thought that he was tied with C. J. McCarthy of the Chicago Fly club and Marvin H. Hines of the Multnomah Anglers' club for first place. Later in checking over Chapp's original score it was found that a slight error had been made and that he was rightly entitled to second honors.

Mistake Found Later.

The mistake, however, was not discovered until Chapp had taken his place with McCarthy and Hedges in casting off for first place. His score in the 5% ounce fly event, which, however, could not be counted officially, broke the world's record for the distance fly event. His three best casts were 122, 121 and 118 feet, for an average of 120 1-3 feet. His original score, which gave him second place, was an average of 107 1-3 feet. McCarthy and Hedges tied for third with an average of 107 feet and 2 inches.

Stanley Wins Cast Off.

All ties stand in totaling the points for the national all-around championships. The two men, however, cast off for first place, with Stanley leading out. His score in the all-around both casters were checked with four demerits apiece, and in the cast off Stanley had sixty six demerits to eight for Backus.

William C. Block of the local club, R. D. Heistfield, Illinois club; Charles C. Lucke, Chicago club; and B. B. Farr of Seattle tied for second in the accuracy fly light tackle, with scores of 99 10-15.

SCENE AT SELLWOOD PARK WHERE THIRTEENTH ANNUAL FLY AND BAIT-CASTING TOURNAMENT IS ON.

HEAT CURTAINS FISHING

BEST ANGLING IS REPORTED NEAR EUGENE.

Fishermen Find No Difficulty in Making Good Catches in McKenzie River in Evenings.

The weekly fishing bulletin issued by the Southern Pacific railroad on information obtained by its various station agents indicates that the warm, dry weather has curtailed the best fishing. Reports for the week are somewhat limited.

The best fishing at present, according to the reports, seems to be near Eugene. Hotel accommodations at Jasper and Lowell.

McKenzie River—Water low, clear and favorable. Several nice catches made daily with upright varieties of flies, spinners, and bait. Although weather quite warm, fishermen report no difficulty in making good catches in the evening. Nine trout from 12 to 15 inches long and two bass (black) are on display this week at the Babb hardware store, at Eugene.

North Umpqua River and Rock Creek—Water low and clear. Week end outlook good. Several fair catches made in vicinity of Rock Creek. Some nice specimens of salmon trout, a few rainbows and summer steel heads. Salmon eggs, various flies and spoons used to best advantage. Reached by special conveyance 5 to 25 miles from Hotel accommodations at Roseburg.

Del Monte, Cal., Aug. 20.—The Del Monte and Public Beach courses are coming in for much play these days by golfers who are getting acquainted with the battlegrounds for the state championship, which starts on September 3 and runs until the 11th. So many changes and improvements have been made on both links that old-timers, as well as newcomers in golf, are anxious to get out their clubs and get a knowledge of the different holes.

MOLLA KEEPS HER TITLE

MRS. MALLORY STILL WOMAN'S TENNIS CHAMPION.

Title Is Captured for Fifth Time, New Record in American Women's Lawn Tennis.

FORREST HILLS, N. Y., Aug. 20.—For the fifth time in a period of seven years Mrs. Molla Bjurstedt Mallory, a native of Norway, now resident of New York city, won the national women's singles tennis championship today when she defeated Miss Mary K. Browne of Santa Monica, Cal., two sets out of three by scores of 4-6, 6-4, 6-3. The feat established a new record in the history of the American women's national tennis play.

As a young woman, Mrs. Mallory, then Molla Bjurstedt, won her first United States honors in 1915, following the voluntary retirement of Miss Browne, who had won the title three times in the past.

The California, however, gained the title for the first time in the history of the sport when she defeated Miss Browne today, played one of the best matches of her career. In the former title holder, Mrs. Mallory faced an opponent too dangerous to be trifled with at any stage of the game. Miss Browne as a court strategist, tactician and master of a large repertoire of strokes, is unequalled. Yet this afternoon the Norse woman, after losing the first set, four games to six, responded to the cheering and by unequalled display of almost maniacal driving and steadiness, carried to victory in the next two sets.

Mrs. Mallory stated after the match that it was the hardest she had ever played and that the change of pace and variation in the lengths of her opponents returns was a puzzling problem which she was never certain of solving until the winning point had been scored. It was this deftness with brain and racket that allowed Mrs. Mallory to carry her more burly and stronger opponent through three sets of play which were more keenly contested than any point score and stroke analysis would indicate.

Reached by special conveyance 5 to 25 miles from Hotel accommodations at Roseburg.

Del Monte, Cal., Aug. 20.—The Del Monte and Public Beach courses are coming in for much play these days by golfers who are getting acquainted with the battlegrounds for the state championship, which starts on September 3 and runs until the 11th. DAVIS VICTOR IN SINGLES

San Franciscan Takes Doubles Finals Also at Southampton.

SOUTHAMPTON, N. Y., Aug. 20.—Willie E. Davis of San Francisco won both the singles and the doubles finals of the Meadow club cup tournament today.

In the singles he defeated Vincent Richards of New York, the cup defender, 6-3, 3-6, 6-3, 6-4, and paired with Watson M. Washburn of New York in the doubles, defeated Howard and Robert Kinsey of San Francisco, 6-4, 6-1.

Robert and Howard Kinsey, the San Francisco brothers who are playing in the tournament, were robbed of cash, a watch and jewelry today by three armed burglars at a cottage where they are guests. Awakened by strange noises, the brothers found pistols pointed at them. The burglars escaped.

The Kinseys were very physically fit and the intruders feared the physical prowess of the tennis stars. They fled under the protection of their pistols as soon as the Kinseys jumped from bed, awakened by the burglar's stumbling over a bundle of tennis rackets. The Kinseys said they lost \$25 cash, one diamond stickpin and one watch.

RICHARDS, DAVIS FINALISTS

Voshell and Clothier Eliminated in Meadowbrook Tourney.

SOUTHAMPTON, N. Y., Aug. 20.—Vincent Richards and Willie E. Davis were the finalists in the invitation tennis tournament at the Meadowbrook club, the former putting out E. Howard Voshell, 6-4, 6-2, while the latter got over William J. Clothier in two 6-4 sessions.

The Kinsey brothers entered the final round of the doubles by pulling out a spectacular victory over Richards and Voshell 6-8, 7-5, 6-4, with Watson M. Washburn and Willie Davis completing the bracket by their defeat of the English team, Maxwell Woodman and O. G. N. Turnbull, 6-2, 8-6.

Reached by special conveyance 5 to 25 miles from Hotel accommodations at Roseburg.

Del Monte, Cal., Aug. 20.—The Del Monte and Public Beach courses are coming in for much play these days by golfers who are getting acquainted with the battlegrounds for the state championship, which starts on September 3 and runs until the 11th. WIRELESS AIDS REPORTER

YACHT RACE IS "COVERED" BY AIR TELEPHONE.

Associated Press Gets Results in Record Time—Experiment Is Tried by News Agency.

CHICAGO, Aug. 20.—The wireless telephone, used by the Associated Press to cover the Great Lakes speedboat regatta August 4, 5, 6, 7, furnished a solution for one of the most difficult problems of news men, that of getting the results ashore and into the office speedily.

The ingenuity required to report yacht races has furnished many a romantic incident in news reporting, but the wireless telephone in this instance swept away every previous known barrier to speed.

Sitting in comfort on the deck of a ship at the finish line, the Associated Press reporter, without getting out of his chair, called the names of speedboats as fast as they flashed past him, direct into the office of the Associated Press in a loop skyscraper. His voice, transmitted by wireless, had been in an adjoining room.

The new experiment in reporting was made possible by the co-operation of the United States navy department and the naval reserves of Illinois, commanding the Illinois naval reserves, was installed aboard the submarine chaser 419, placed at the disposal of the Associated Press by Lieutenant A. C. Forbes, wireless officer of the 9th naval district and commandant of the Illinois naval reserves, was in charge of the installation.

At the Associated Press offices, on the seventh floor of an office building, a small receiving set was placed on one corner of a desk, and for aerial a single strand of wire was stretched from a window to a roof across an alleyway.

Commanding the Illinois naval reserves, was installed aboard the submarine chaser 419, placed at the disposal of the Associated Press by Lieutenant A. C. Forbes, wireless officer of the 9th naval district and commandant of the Illinois naval reserves, was in charge of the installation.
