FOR SALE—AUTOMOBILES.

WE ARE SELLING HUDSON AND ESSEX AUTOMOBILES that have been either rebuilt or renewed that are in the best mechanical and running condition—that are also warranted the same as factories warrant a new car. In addition, we give 90 days' free mechanical service.

This is not new on Hudson automobiles. We have rebuilt and sold them with a warranty since 1916. You buy a fine quality car with the same safety as when you purchase a new automobile. Buy a car you can depend upon, and at a bargain price.

Other makes of used automobiles thoroughly overhauled, put in first-class condition and sold with a 10 days' free trial, subject to being returned and full credit given on any other car of equal price that customer may select.

This gives ample time for every purchaser to try out the car he buys, gives him time to have it inspected, as we want only satisfied customers.

The car that never wears out—that is the automobile that is known as the Hudson; it does not vibrate, therefore does not damage the material; the worn parts can be replaced and the automobile continues to run like new. For a long time the Hudson has had the reputation as the car that never wears out. Used Hudsons are better than new cars at the same price. Ask the Hudson owner. These used Hudsons are known for being the best used car values on the market.

AT THE COVEY MOTOR CAR CAMPANY PLANT.
The truth about each car offered for sale by the Covey Motor Car company is easily determined through the simple addition to our selling plan of an outside removable pocket placed upon the left front door of each automobile.
In this pocket and open to your inspection is the shop work sheet, an absolute record of all work done to the car in question.
It has always been possible to obtain from this firm the highest quality used rebuilt and refinished motor cars, absolutely without misrepresentation.
We are very proud of the public confidence placed in all branches of our business and daily wish to increase it.
We are constantly striving to improve our position in the used car field and spare no expense to produce the finest car possible.
Used car sales increase our new car volume and we will look to this volume for our profit.
