The Stocking's Story: Darn - Darn - Darn

—is not a very joyous one to most mothers with children in school. Long after the rest of the family is asleep Mother is oftentimes busy darning holes in the heels and toes and knees of Tommie's hose, so big she wonders there's anything left of the stocking at all. And as for little Susan, perhaps she doesn't wear hers out at the knees, but the heels and toes—oh, dear!

Scientific Stockings for Girls and Boys!

are manufactured with these very mothers in mind. They are woven with scientifically strengthened knees, heels and toes. They eliminate the need for continuous darning of stockings for the kiddies.
