The Very New In Skirts

The Fall wardrobe minus a few skirts is by no means complete. This is especially true this season, for Dame Fashion has decreed the separate Skirt as an important item of apparel. No more effective arguments in favor of the separate Skirt can be produced than that which you see in the wonderful array of styles in this notable showing. Examine the splendid quality of the materials and note their moderate pricings. Of special interest are the smart new models in plaids and stripes. Priced \$8.50 to \$25.00
