SPECIALIST IN
FIREPLACES**

Since beginning the practice of his trade in press brick and tile work in Portland he has given the building of fireplaces his studied attention.

It has become a well-known fact to contractors and builders of the city that the workmanship of Mr. Beach, and those artisans chosen by him to assist in his work, are invariably experts in their line.

And they asked me how I did it
And I gave 'em the Scripture text—
"You keep your light so shining
A little in front o' the next."
They copied all they could follow,
But they couldn't copy my mind,
And I left them sweating and stealing
A year and a half behind. —Kipling.
