INCOME TAX FACTS TO BE PUBLISHED.

Beginning tomorrow, The Oregonian will publish daily a series of carefully-prepared official articles about the income tax, for the general information and guidance of the public.

These income tax stories are based on the revenue act of 1921 and will be of great informative value to large numbers of taxpayers who are required to file returns on their last year's earnings.

Endeavor has been made by the writer to point out clearly and briefly changes in tax legislation as they affect the average taxpayer. Income tax facts, as set forth in this series of articles, wfl undoubtedly afford many

very valuable features. The

writer has combined the sali-

ent provisions of the act with

brevity and clarity.

came so acute that approximately lished in The Oregonian on January \$100,000 was bet on a football game, was the real cause of the athletic conference were quoted as saying scandal which resulted in disqualifithat the Pacific Steamship company is caffon last night of nine University of Illinois athletes and which Whether the error occurred through threatens to reach into Notre Dame university.

A group of citizens of Carlinville, the rival town of Taylorville, by ob-The Pacific Steamship company is taining ten college stars to play on large and responsible concern doing their football team, and with victory of Puget sound, both coastwise and on the annual contest. But Taylortrans-Pacific, and expects to continue ville learned of the plan, obtained nine college stars and not only de feated Carlinville, but was said to have won nearly \$50,000 by covering every Carlinville bet made.

Notre Dame Men in Lineup.

Ten Notre Dame players were in the Carlinville lineup, according to statements by citizens, while the nine disqualified Illinois men played on the Taylorvilla eleven.

In the Carlinville lineup, according today, drove James Buchanan to take to persons associated with the team, Desch. member of the American Olymswallowing a concoction labeled pic team and world champion 440-beauty powder," which had been sent yard flurdler; Chester Wynne, selected by some as all-westers ference fullback, and John Mohardt tifled by C. McCarthy, a Mamilton football writers. All played on the

Several Carlinville people conceived the "safe betting" idea of filling their lineup with college stars. Overtures were made to Notre Dame men, according to backers of the Carlinville team, and it was agreed to pay the ten men \$200 each plus their expenses, the total being \$2700. The persons who arranged the nf-

fair passed the word to their friends to bet the limit. A special train was hired and a band taken to Taylor-Farmers arranged to join the pligrimage, and in nearly every case well-filled wallet was taken along. Each person who received the confidential information evidently passed it on to another friend, for gradually

he word spread into Taylorville. At

the same time Taylorville received

word Carlinville was ready to back its team with the family jewelry if necessary. Consternation Is Spread. Consternation spread through Tayteam against nationally known college players. Then a few citizens decided also to seek a little college aid. Quietly the word was passed not to fear Carlinville-that a means of de-

feating their rivals' plans had been found. . When the sime for the game came a group of Carlinville citizens because checking up in one corner of the field.
They found their citizens had bet nearly \$50,000. In another section (Concluded on Page 2, Column
