BROADWAY AT BURNSIDE YOU CAN'T FOOL ALL THE PEO-

Some people are misled by catchy schemes for selling used cars. Others attracted by supposed huge reductions are induced to buy hurriedly, only to find they have erred in their selection, after it is too late.

But a majority of the people refuse to be swayed by huge advertising schemes and carefully make their selections of a used car from the stook of a reliable, wed-established firm with a reputation for honest dealing. These people of the latter class are the ones to whom we have been selling our used cars.
