

THE SCHOOL STUDENTS PUT IN BUSY WEEK WITH ACTIVITIES

Girls Work on Preparation of Meals—Teachers Consent to Have Photos Taken—Track Meet Is Feature—Reed College Is Visited by Many Seniors.

Benson Tech Show Is Most Elaborate Affair.

Departments Via With Each Other in Putting on Best Possible Displays to Please Public.

BY KENNETH RAUCH.

THE Benson Tech show, held at the school on the evening of May 3, 4 and 5, was highly commended by every one who attended. From the time of their entrance into the building until they reluctantly left for home, when the lights were turned out, the visitors were held in a high state of entertainment afforded by the many displays. Some people even found that one night's time was not enough to cover every exhibit in the building. Nine thousand enthusiastic visitors went through the school during the three days.

Lincoln Will Feature Track Meet May 26.

Baseball Team Wins First Game on Multnomah Field, Playing Commerce—Music Entertains Assembly.

BY ROBERT L. GARDNER.

ON MAY 26, the date for the inter-school track meet, all the public schools are to meet in the business district of the city and march to the Multnomah field. As a result, all the boys are drilling in marching every noon. Each term has its captain and a number of Oregon National guard and its faculty adviser. Over all the terms is a commander-in-chief. Melvin Battee has been appointed commander-in-chief. The following have received the rank of captain: Wallace Young, first term; Paul Tate, second term; Patrick Hughes, third term; Roy Hawk, fifth term; Lee Turledevo, sixth term; Fred Sigmet, seventh term; and "Bugs" Egan, eighth term. The faculty advisers for the various terms are: first term, Mr. Bennett; second term, Mr. Blackler; third term, Mr. Reynolds; fourth term, Mr. Sturfer; fifth term, Mr. Verry; sixth term, Mr. Schmitz; seventh term, Mr. Thorne.

Officers of Franklin Science club. Left to right—Helen Barikolomew, treasurer; Nerven Nelson, secretary; Miss Howard, faculty advisor; Emil Furrer, president; Sylvia Seymour, vice-president; front, Lee Powell, sergeant-at-arms.

Jefferson Schedules Live Wire Vaudeville.

Class Play Receipts Will Assist in Good Cause—Camera Club Has Interesting Season.

BY HARRY G. JOHNSON.

THE annual live wire vaudeville has been scheduled to be given at Jefferson on Friday and Saturday evenings, May 26 and 27. All of the Jefferson student organizations are energetically working to put on some kind of an act. As there are more than 30 clubs in the school, and only 10 or 12 acts can be presented, there is strong competition between the organizations to be one of the 30 to put on a stunt. Of the work which has been done so far toward preparing an act, the boys' and girls' clubs deserve the most attention. The two organizations have combined their efforts this year and are working together to put on a musical comedy entitled "The Manicure Shop." The remaining clubs of the school are working on various pantomimes and skits. The Camera club has chosen a pantomime as its effort. The Latin club is planning to give a humorous bit of Roman life, and so on through the list of clubs. The art classes are making posters for the play "Grease Stockings," which is to be given in the school auditorium in the near future. The program is to consist of violin solos, piano and songs by the various members of the club. President Albert Rosenko has induced a great deal of enthusiasm so that the school promises to be a very interesting one.

James John Tumalum Staff Is Entertained.

Senior Class Partakes of Reed College Hospitality—Interesting Speakers Detail Features of the Loan Fund.

BY ELOISE GRAY.

A THEATER party of great interest was that given by Dean Randall in honor of the regular James John Tumalum staff. The occasion for the enjoyable affair was Walter Hampden's presentation of "The Taming of the Shrew" at the Helix Saturday afternoon, May 6. Practically the entire senior class enjoyed Reed's hospitality on Reed day. The canoe races, tilting contests, dance and canoe fete were the principal features of the college event. A number of students in the June '22 class are planning to attend Reed.

Commerce Ledger to Have Cartoons Issue.

Class Play Cast Gets Into Action Bit—Teachers Coaxed Into Having Photos Taken.

BY HELEN ZWINGLI AND ARDEN HANDBORN.

THE JUNE class sponsored a very successful ice cream sandwich sale last week. Several dollars of profit were realized. Cartoons galore—such is the promise of the coming Ledger. Because of the expense entailed in making cuts, but few cartoons have heretofore been used in each issue. This Ledger will probably be rather small and the text short, but will be made up by the number of pictures and cartoons.

Yosemite Museum Has Relics.

Scientific American.

This new government museum already has a wonderful collection of Indian baskets, beautiful arrowheads chipped from volcanic glass, and an important geological exhibit. It has the only existing specimen of a Pluteus rabbit blanket, woven from strips of the tanned skins of many rabbits; there is also a soft, pliable water bottle, still usable despite its 200 years of age, woven in a stuff that is a lost art, a stitch so close that the resin was needed to make the bottle watertight. Letters written by John Muir are also numbered among the treasures.

Volcanic Water Poisons.

BOKHARA—Many persons and a large number of animals in the vicinity of Bokhara are reported dead as a result of drinking poisonous water flowing from eight new waterfalls created by a volcanic disturbance far in the interior, near the Afghan frontier. The eruptions are said to have destroyed several villages with a resultant heavy loss of life.

VANCOUVER ELKS ENTERTAINED BY RADIO CONCERTS FROM ALL STATIONS OF COAST

Visitor to Clubrooms Hard to Convince That Outfit Is Not Phonograph and Hoax Is Suspected—Antenna and Ground Lead Wires Entirely Concealed From Observer and Apparatus Is Assembled in Cabinet.

THE "RADIO" CORNER OF VANCOUVER, WASH. ELKS CLUBHOUSE. SEVEN "BILLS" ENJOYING A RADIO CONCERT.

THERE is one corner in the club-room of the Vancouver, Wash. Elks clubhouse which is fast becoming the favorite lounging place for many of the members. Here, in comfortable leather arm chairs, the "Bills" spend enjoyable hours listening to the radio concerts and other programmes broadcast from nearby every radiophone station on the Pacific coast. With all the antenna and ground lead wires entirely concealed from the observer, and the entire apparatus taken to exploit the discovery and erect a soap factory in the immediate vicinity of the lake. The set consists of a Westinghouse two-stage detector and amplifier with a large magnavox. A hole was drilled in the motor board of the cabinet and the detector and amplifier panel set in at an angle so that the connections are located beneath the motor base, and only those parts exposed which are necessary in the adjustment of the units. A storage battery and a Tungar rectifier for charging the battery have been placed in an acid-proof compartment in the lower part of the case. A double pole and throw switch allows the charging of the battery when the set is not in operation. The antenna is a single wire made of No. 4 aluminum cable 150 feet long and 10 feet high.

Franklin Science Club Hears Discussions.

BY EDNA MAY FOOT.

THE SCIENCE club, one of the most active in Franklin, has been honored from time to time by prominent people attending its meetings and talking on subjects of interest. Thursday, May 4, Miss Willard, professor of chemistry at Pacific University, talked on the subject "The Political Influence of Chemistry," and in particular, Miss Howard, faculty advisor of the club, secured the visit of Miss Willard.

McDowell Chorus Charms Girls' Polytechnic.

Metal Art Work Display Is Noteworthy Feature—Domestic Science Class Specializes on Preparing Meals.

BY KATHLEEN SHAW.

THE McDowell chorus of women's voices entertained the students with a wonderful concert Thursday, May 4. The first three numbers on the programme were sung by the girls of the school. The McDowell chorus then sang "Only to Thee," arranged by the Swan station, "A Wild Rose" (McDowell), "Nymphs and Fawns" (Hemberg); chorus of "Seraphim" (T. Dubois); serenade, "Good Night, Good Night, Beloved." Each piece was rendered perfectly and a great deal of praise was due Miss Howard, faculty advisor. The chorus is a large one and is ably directed by W. H. Boyer, director of music in the public schools. The chorus thoroughly enjoyed the programme.
