MRS. HARDING IS PLANNING SERIES OF GARDEN PARTIES

Society at Capital Interested in Arrangements—Heiress Gives Street Fair for Charity—Women Are Honored.

BY JESSE HENDERSON. (Copyright 1922, by The Oregonian.) NEW YORK, May 20.—(Special.)—Take it all in all, this was ladies' week. Women continued to grab most of the limelight, from serving hot dogs on the street to getting into the hall of fame, things practically synonymous from a news point of view.

Women Are Honored. At about the same moment the average citizen was getting his sandwich from the jeweled hands of aristocratic women who were holding high to the local hall of fame.

and the contractors, however, are those the more directly concerned, and the manner of selecting and advancing the apprentices will be in the hands of the committee chosen from the ranks of these two interests, it was announced.

The plan provides for careful selection of apprentices and placing them in the trade in which they appear to be most likely to attain the greatest skill. The apprenticeship is to be divided into periods and advancement will be regular. Each apprentice is to be given an opportunity to acquire skill in all branches of the trade, but will not be hindered in his desire to become especially proficient in some particular branch.

Unemployment for long seasons during apprenticeship, during seasonal work, is to be eliminated to a large degree so that the apprentice may be able to become a journeyman in the shortest possible time.

Organizing the system of apprenticeship under the control of the workers and the contractors will produce the number of craftsmen required and yet will not train an army of men who will not be able to find employment. The public will be the beneficiary of the plan by reason of the greater skill of training through a standardized apprenticeship.

Several hundred real estate men from all sections of the United States will pass through Portland en route to and from the convention of the National Association of Real Estate Boards to be held in San Francisco May 31 to June 3 and elaborate plans are being made for their entertainment while here.

Harry Beckwith, vice-president of the Portland Realty board and chairman of the entertainment committee, has outlined a programme for the entertainment of every visiting real estate man, so that when he returns home he will have a better knowledge of Portland as a home and investment center.

The largest single delegation of visitors to come to Portland will be a trainload of some 300 men from Minneapolis, Boston and Philadelphia. This delegation will stop here on the way back from the convention, arriving here June 5. Mr. Beckwith has outlined a programme for their entertainment and plans are under way to make this event a demonstration of Portland hospitality.

The Portlanders who go to the convention already have arranged to come back on this train and will form an escort for the visitors from San Francisco to Portland. The visitors on their arrival here will be met by automobiles and taken to the Mulnomah hotel, which will be their headquarters while in the city.

After breakfast the realtors will be taken on a drive through various sections on the west side and over the canyon road to Weed's peony and iris gardens, and to the home of the Terwilliger boulevard. Groups of the visitors also will be taken on visits to Portland's downtown apartments, residences and industrial districts.

A trip over the Columbia river highway will also be a feature of the entertainment, with a boat lunch served at Eagle Creek. From there the trip will be continued on to Cascade Locks, after which the party will return to Crown Point, where they will view the sunset. Following the dinner there will be an entertainment and dancing.

The securing of automobiles for the visitors will be in charge of Walter Daly. L. B. Symmons will have charge of the drives and E. J. Daly of the "taxi." Bruce Rowan will be the leader of a Realty board which will meet the visitors. Walter Jenkinson will be on hand to lead in songs.

LOANS GIVEN VETERANS

RED CROSS DOES NOT REQUIRE SECURITY OR INTEREST. "We Do Not Think It Is Good to 'Pauperize' Any Man," Declares Miss Jane Doyle.

"I am sorry that I have not been able to return the money that the Red Cross loaned me, but I will in time and in the meantime please keep my 'credit slip' for there is no other organization on earth that will lend a soldier money without security or interest save the Red Cross," wrote an Oregon disabled veteran whom the Portland chapter, American Red Cross, had befriended recently.

"We believe in loaning the money to the boys, for we do not think it is good to 'pauperize' any man," says Miss Jane Doyle, executive secretary of Portland chapter.

"If the boys pay it back we are glad and it is seldom that they abuse the work of the Red Cross by demanding more than we can give. Usually they object to charity, anyway, and when they make applications for aid they pledge themselves to 'pay back' when they are able to do so."

Miss Doyle praises the system of community chest as it is carried on in Portland. The chapter is allowed so much each month for its work, following an itemized statement given to the chest for the previous month's work.

The fund for flood sufferers of Mississippi, Ohio and Illinois river valleys is slowly growing according to Mrs. Margaret C. Bean, office treasurer. The national society has asked the society of each state to do its bit toward raising \$50,000 needed for immediate relief for the thousands of homeless and injured. One hundred thousand dollars already has been expended by the national society. Donation checks from Oregon

Dr. Pierce's Favorite Prescription has long been recognized as a tonic for diseases peculiar to womanhood. After suffering pain, feeling nervous, dizzy, weak and dragged-down by weaknesses of her sex—a woman is quickly restored to health by its use.

Dr. Pierce's Favorite Prescription has been successfully used by many thousands who write Dr. Pierce of the benefits received—that their backache, rheumatism and other symptoms of uric acid deposits in joints or muscles are completely conquered by its use.

WHO HAS DIABETES? Here is Wonderful News!

"I suffered for 14 years with diabetes," says Hans Schneider. "I have spent thousands of dollars in vain but 'Eck's' has cured me entirely. I recommend it to all diabetic sufferers."

Like thousands of sufferers from diabetes, Mr. Schneider had been taking treatments in accordance with the old, false theory of restricted diet, drying himself proper food, starving his body and gradually becoming weak, thin and nervous. But only by the use of Eck's, whose free book "Eat and Get Well" is doing so much for diabetes.

This book, Mr. Schneider feels free to offer from diabetes. It tells all about "Eck's," the new, scientific preparation which enables you to eat all the food you need while getting well, and completely exploding the old theory of "starve yourself."

"If you suffer or know of any one afflicted with diabetes, write for this free book, 'Eat and Get Well.' It will be sent promptly and absolutely free to all who write. Mr. Eckhart, 220 West 12th Street, New York. Keep this advertisement."

Money of No Value

"Life had no pleasures for me. Although I had plenty of money, it was of no value, as my stomach almost constantly distressed me. I lost faith in all doctors and medicine. Talking with my druggist about my case he advised me to try Mayr's Wonderful Remedy. I am now enjoying life again. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists."
