CONWAY ARMY TENTS.

FOR SALE.

We received 1200 tents from the fac-tory the past week and reshipped half of them to our seven branch stores. We make all sizes from TaT to 16x80 in the S-oz. and 10-oz. white duck of the U. S. standard 20-inch width. We have included in this lot khakt wall tents 727, 8210, 10x12, 8-0z., and 8x10, 10x12, 12x14 10-0z.

Auto Tents with flap to cover car, Khaki 7x7 and 7x9, in both 8 oz. and 10-oz. White, 7x7 and 7x9 in both 8-oz. and 10-oz.

On account of the big contract we closed recently we have very attractive prices to offer on these tents. We buy and sell for cash and cash gets the price which we pass along to you in reduced prices.

We have saved money for thousands of people who bought our tents last year and are in a better position this year than ever before to save you money. Do not be deceived by buying 38-inch duck instead of 29-inch. This means, in short, that one yard of duck 29 inches wide weight 8 ounces or 10 ounces as the case may be. Whereas, if you buy a tent made from 36-inch duck and a yard weight the same you can readily see it must be 7-56 lighter.

THE SEASON IS ON.

Don't wait, for you may be disappointed when you walk in to buy your tent.

Call at any of our branch stores If you live near any of these by stores, c. I and examine the goods

FOR SALE-AUTOMOBILES. A QUESTION OF FAIRNESS IN DODGE BROTHERS' POLICY.

Occasionally we marrifee a new car sale because we will not allow an excessive price for a used car. We do this for the protection of our patrons. If we paid Smith too much we would have to get it back from Jones. That would be unfair and we believe in fairness, even if it hurts.

We tell you our used cars are reconditioned—in Al shape. When we tell you that we mean just that. If you find any point not to be as represented, through any oversight on our part, we will correct it. That is another question of fairness.

A used car guarantee is only as strong as the firm or individual that gives it. No stronger. We will gladly refer you to our entire list of used car pur-chases. That's fair.
