SPEEDY MOTOR BOAT EVENT BILLED FOR PORTLAND.

Great Aggregation of Speedboats, Cruisers and Runabouts to Compete on Willamette.

The Portland Motor Boat club will hold its opening regatta on the Willamette river next Sunday at 2 o'clock. This regatta will be the greatest aggregation of speedboats, cruisers and fast runabouts ever shown to Portland.

The new mystery boat, owned by L. L. Adams and operated by Frank Linneman and Vic Brandt is ready and a free-for-all race between this boat and the Pacific coast champion, Vogler Boy, owned by Fred Vogler and driven by Orth Mathiot, considered one of the fastest boats in the world, will be a feature. This race will be full of spectacular turns and thrills, it is even possible that a new world's record might be established.

The race will be run over a triangular course extending from the motor boat club to the south pier of the Morrison street bridge, a course approximately four miles long. There will be two laps and three heats, and the boat that wins will not only have to show extreme speed, but super-endurance of drivers, boats and engines to stand the terrific pace.

The 225 class will have at least seven starters. This course also will be triangular, but somewhat shorter than the free-for-all race. It is expected that these boats will exceed 45 miles an hour. The losing boats in this race will be permitted to compete for a consolation prize, as the race is to be run strictly on the point system.

The cruisers will stage a handicap race, which should close, as competition is extremely keen in this class.

The runabout race will bring out several new boats, the names of which will be announced next Sunday. This is a popular type of boat and develops in excess of 25 miles an hour.

These races can be seen from any point on either bank of the river, south of the Hawthorne bridge to the motor boat club. All handicap boats must report at the club barge between 8 and 11 o'clock the morning of the races to time out over the course.

KEARNS TO GET BUSY

CARPENTER RETURN FIGHT TO BE BALLY-HOOED.

Bombardier Wells' Engagement as Dempsey's Sparring Partner Good Technical Move.

BY SPARROW MCGANN. (Copyright, 1922, by The Oregonian.)

NEW YORK, June 3.—(Special).—While Jack Dempsey in Europe he made plans to return next September and begin the bally-hoo business over the projected battle against Carpenter. Among the details which came to hand today is the engagement of Bombardier Wells as a sparring partner for a series of music hall exhibitions.

Dempsey could not have picked a better sparring partner, so far as popularity with the British public is concerned. Everybody who is anybody can knock Wells out, but he is a fine, handsome chap, clever with his hands, and has a personality which attracts. After the music hall tour, Dempsey will enter upon a three months' course of training for Carpenter. His headquarters will be at the house of James White in Epson.

His housekeeper while training is likely to be Dempsey's real mother this time. For he plans upon his next trip across the ocean to take both Pa and Ma Dempsey with him. It will be interesting to see how much enthusiasm the well-known methods of Kearns, Descamps and company will be able to arouse over the return battle. One thing is certain, they will have to overcome the influence of a press which just now is decidedly adverse. The London experts can't see the fight in any shape or form and they have been panning it with all the strength of their hard-hitting typewriter fingers.

Punch, the well-known Observer critic, says that if a return match between Dempsey and Carpenter is a good one, then so is a return match between the Frenchman and Ted Lewis.

"If the London public is guided," he says, "into accepting this proposed battle as a championship fight in which Carpenter holds a chance of victory, then they will get what they deserve—a repetition of the Jersey City affair, although of course the

AGGIE SCHEDULE READY

COLLEGE MEETS CALIFORNIA AT CORVALLIS MAY 13.

Track Events to Be Feature for Junior Week-End Programme Next Spring.

OREGON AGRICULTURAL COLLEGE, Corvallis, June 3.—(Special).—The Oregon Agricultural college athletic schedule for next year was decided definitely by the action taken at the meeting of the Pacific coast conference coaches at Seattle last week. One of the most important of these events will be a track meet with California next spring on the Aggie track during junior week, May 13.

The basketball schedule has been arranged into a northern and southern grouping, which will be more satisfactory than the previous arrangement where only part of the northern institutions have had a chance to schedule games with each other.

Oregon Agricultural college football will start against Pacific university October 7 at Corvallis. This game will be followed by the Willamette contest October 14, also on the home field. The Aggies will then go to Seattle to play the University of Washington, October 21. Stanford will make the trip north the following week-end to play the Aggies at Corvallis. The annual Multnomah game is scheduled for November 4 at Portland. November 11, Armistice day, is an open date.

The slate classic with Oregon at the annual home-coming will be November 18 and the battle will be held at Corvallis. This game will be followed by the Washington State game at Portland November 25. The Aggies do not have a post season game scheduled, but a suitable opponent for such a game is being considered. Seven games are on the schedule with only one open date, Armistice day.

In basketball Oregon Agricultural college will meet Idaho, Washington, Washington State, Oregon, Whitman and Willamette. The championship team of this aggregation will play

the champions of the south, namely California, Stanford or the University of Southern California. Three games will be played for the championship of the coast. The games will be played in northern courts and whoever wins the northwest title will be a great drawing card for the three games for the coast championship. Only one wrestling meet has been definitely scheduled, that with the University of Washington at Seattle. Meets will be arranged, however, with Oregon and Washington State.

The track season will start with the Oregon state indoor relays on the Aggie track in March, and early in April Oregon will be met in the Oregon state outdoor relays. The Washington relays at Seattle will follow April 28, and then comes the proposed meet with California May 13. The dual meet with Oregon comes next and then the coast conference meet at Corvallis, Oregon, May 19. Baseball for next year will be about the same as this season with the addition of games with Idaho. According to the schedule the Aggies and the University of Washington will meet next spring. This is a dope upset, as Oregon Agricultural college has always been able to furnish a chance to schedule games with each other.

ILLINOIS IS VICTOR IN WESTERN MEET

Johnny Murphy and Osborne Tie in High Jump.

MARK IS 6 FEET 5 1-16

Iowa Takes Second Place in Contest, Minnesota Third and Notre Dame Fourth.

IOWA CITY, Ia., June 3.—(By the Associated Press).—The well-balanced University of Illinois team, scoring in 13 of the 16 events, repeated its triumph of 1921 in the western conference outdoor track and field championship meet today by winning the meet with an overwhelming total of 88 1-4 points. Iowa was the second with 24 3-16 points, Minnesota third with 23 1-10 points, and Notre Dame fourth with 22 13-16 and 24 points.

Four conference records were smashed, one was tied and Illinois cracked the fifth record in winning the 100-yard dash, but the mark of 16 1-8 was not allowed as the gold and blue team was disqualified for alleged foul starts. The record of 16 1-8 was set by C. A. Blair of Chicago in 1921. The Illinois quartet won the race in 16 1-8, beating the former record of 17 1-8, established by Chicago in 1921.

100-Yard Dash Mark Broken. The conference record for the 100-yard dash, which has stood for 19 years, was shattered when Bill Hayes of Notre Dame, ex-national Amateur Athletic Union dash champion, ran the distance in 9 7-16, beating the former record of 9 4-8 established by C. A. Blair of Chicago in 1921. Hayes won easily but Leonard Paul, the Grinnell sprinter, was pressed hard for second honors. Eric Wilson of Iowa pulled up in third place with Moorehead of Ohio fourth.

Milton Angier of Illinois, holder of the American javelin record, who broke the conference record in the preliminaries yesterday, with a throw of 126 feet 4 1/2 inches, set a better record today, when he won with a toss of 126 feet 11 inches. Hoffman of Michigan led the former record of 118 feet 4 inches, made a year ago.

Conference Record Is Set. Harold Osborne of Illinois, who tied for first-place honors in the running high jump, set a new conference record and came close to an American amateur record when he went over the bar at 6 feet 5 1-16 inches. The former conference record of 6 feet 2 3/8 inches was made a year ago by Murphy.

Lloyd Rathbun of Ames entered the record-breaking race when he won the two-mile race in 9:27 after a thrilling race with Wharton of Illinois at the finish. The former record was 9:29 3-5, made by C. J. Stout of Chicago in 1916. Furnas, the Purdue star, led for the first three laps, being closely pressed by Wharton and Rathbun. Furnas found the pace too hot for him and quit as the runners started the final lap. Wharton shot into the lead, but after coming around the final turn Rathbun came abreast of the Illinois runner and outgamed him in the last five yards.

C. E. Brookins of Iowa tied the 220-yard hurdler mark of 23 4-5 minutes.

Philadelphia Game Postponed. PHILADELPHIA, June 3.—The Washington-Philadelphia double-header today was postponed because of rain.

Seattle Team Is Panned. POOR SHOWING OF INDIANS ELICITS LOUD SQUAWKS.

Newspaper Writer Says Players Might Do Better if They Sleep at Night.

They're beginning to squawk loud and long in Seattle over the poor showing of McCredie's Suds. While Portland was taking eight out of ten from the little morning practice Suds were dropping to eight out of seven to Sacramento, and now this week Portland has taken five out of six from the Sacs while the Suds have lost that many to the Sacs. McCredie's men are in an awful slump.

It may even be worse than that, to judge from the panning the team received in yesterday's Post-Intelligencer. "Some of the boys might even try getting a good night's rest before engaging in their daily chores," cryptically remarks Rufus Brougham, sports editor of that newspaper, in the course of a half column of comment about the club's poor showing.

"There is something really wrong with McCredie's ball club," to quote from Brougham's article, "and the tall Scot says he is going to find out what it is. Seattle has a first division team on the dope sheet, but if the boys won't play the national pastime, they can't expect to win. Possibly a little morning practice might act as a tonic for McCredie's stars.
