FOR SALE-AUTOMOBILES A QUESTION OF PAIRNESS IN DODGE BROTHERS' POLICY.

Occasionally we sacrifice a new car sale because we will not allow an excussive price for a used car. We do this for the payescetor of our parrons. If we paid Smith too much we would have to get it back frem Jones. That would be unfair and we believe in fairness, even if it hours.

We tell you our used cars are reconditioned—in Ai ahape. When we tell you that we mean just that If you find any point not to be as represented, through any oversight on our part, we will correct it. That is another question of fairness.

A used car guarantee is only as atrons as the firm or individual that gives it No stronger. We will gladly refer you to our entire list of used car purchasers That's fair.
