Favorable Action Expected on Rule Next Week.

### DEBATE LIMITS PROPOSED

Oregon Senator Declares Tariff Bill Can Be Speedily Passed if Time Saver Adopted.

THE OREGONIAN NEWS BUREAU, Washington, D. C., June 10.—What has become of the movement in the senate to adopt a cloture rule to end the interminable debates for which that body is notorious?

The first information for some time as to the status of the clo-

The first information for some time as to the status of the cloture movement came today from Senator McNary, who has been active in organizing the friends of cloture in the senate. He said that the rule will be submitted to the republican caucus next week and he expects favorable action.

"The senate has consumed eight weeks in the discussion of the house tariff bill, which was modified by the senate finance committee by the annexation of 2000 amendments." said Senator McNary. "Necessarily, a bill of this magni-

### TOURIST HOTEL IN SIGHT MARKET PLAN ADOPTED

Seattle Plan Calls for Project to Cost About \$2,500,000.

SEATTLE, Wash., June 10.—Seattle came a step nearer realization of its plan for a new tourist hotel when the board of trustees of the chamber of commerce today unanimously indorsed a proposal to build a 600-room hostelry to cost not less than \$2,500,000. Frack Waterhouse, president of the chigh-ber, announced that an offer nade by a Seattle building company to lease an appropriate site for the erection of the hotel had been accepted.

The following directors of the company to have charge of the erection of the building have been appointed: C. J. Smith, A. B. Stewart, W. H. Parsons, J. E. Douglas, C. W. Wiley, Laurence Colman, Worral Wilson, J. W. Spangler, L. C. Gliman, John Powell, J. D. Lowman, C. D. Stimson, M. F. Backus, A. W. Leonsard, C. S. Wills, Reginald H. Parsons, George Donworth, J. D. Auto Caravan From Multnomah Is Led by Agricultural Agents.

OREGON AGRICULTURAL COL-LEGE. Corvalits, June 10.— (Special.)—The first of a series of auto excursions from counties throughout the state, led by agricultural agents, took pince today when an auto caravan of Multhomah county farmers inspected the experiment station and the work done there. They were Kenneth Meyers, Harvey The visitors were put up at Wald Modey and Ivan Going, Police ashall, and will be here until tomor-sisted in a search for the men but row evening.

The inspection tour included the campus, the home experiment sta-tion, the south farm, the west farm, and the east farm. The farmers were shown recommended varieties of spring and winter grain as compared with other, commonly known, smaller yielding varieties, the beneficial effect of fertilizer on clover, experimental work being done on filberts, strawberries and cherries, and headload results of the beneficial results of

### ENGINEER DIES IN MILL

Electric Shock or Heart Disease Thought Cause of Death.

ABERDEEN, Wash, June 18.— (Special.) — Edwin Petersen, 46 planing mill engineer for the Bay City Lumber company, died about 10 o'clock this morning on an over-hanging walk in the rafters over the laning mill machines. Death was elleved to have been due either to electric shock of to heart disease. Fetersen had gone sloft to of come pulleys, over the machines Workmen below saw him fall. Rush ing up to where he lay, they found

him lying on his back near a conduct pipe from which E. Fisher, another workman, said he had received a shock yesterday.

The body was taken outside the planting mill and efforts to revive Petersen were made by physicians and members of the fire department, who brought a pulmotor to the mill. Pipes and other metals near the scene of the accident later were tested by mill electricians for short-circuited; currenta, but no stray current could be found.

Petersen's body carried no marks of burning, but it did have some small bruises about the chest. There is a possibility, millmen said, that he was struck by a belt weight or by a knot flying out of the blow pipe fan in the planing mill. In case he
