Chairman of Immigration Com mittee in House Says Further Restrictions Necessary.

THE OREGONIAN BUREAU, Washington, D. C., June 10 .- The 3 per cent immigration law was assed just in time to prevent the United States becoming the almshouse of the world, declared Representative Johnson of Washington in a statement given out today.

Speaking as chairman of the house immigration committee, Mr. Johnson declared that in his opinion this country never will go back to any scheme which will "welcome the uncounted millions of the four corners of the world." He would change the law, however, he said, fixing certain base quotas of 600 or some such number to relieve the situation as to several countries whose quotas are small, but he would not admit aliens incligible to citizenship, which would means a continued bar to Chinese and

Act Comes in Nick of Time. "In my opinion the act limiting immigration to 355,000 for the fiscal year ending June 30, came in the nick of time," said Representative Johnson; "it has saved the United States in that year from an Influx of fully 1,500,000 immigrants at a time when we could neither assimilate nor employ them. Under assimilate nor employ them. Under assimilate nor employ them. Under the quota restriction, 230,537 were admitted to May 21, while about 2787 were admitted temporarily for reasons of humanity and because of difficulties in getting the new law into operation, while 1446 were turned back because of exhausted
