# PENN STATE IS SECOND

Merchant of Bears and Paulu Grinnell, Wounded War Hero, Individual High Men.

CHICAGO, June 17 .- (By the Associated Press.) - California, from in the eastern intervictory collegiate track meet, triumphed over the flowers of America's col-legiate stars on Stagg field today, winning the team honors in the secwinning the team honors in the sec-ond National Collegiate Athletic as-sociation meet with 28½ points by scoring in eight of the 15 events. The individual honors of the day also went to a Californian, Johnny Merchant, who hung up one of the day's along team team of a honor day's nine new records, and alone scored 11 points with victories in the hammer throw and shotput and a fourth in the broad jump.

## Honors Widely Distributed.

Honors were distributed from coast to coast, Penn State following the Pacific coast athletes with 1942 peints for second place. Notre Dame was third with 16.7, while Illinois, regarded as a favorite with California, was fourth with 14.7 pointa, lowa bagged 11.34 points for fifth place and Grinnell, due entirely to the performances of Leonard Paulu, the sprinter, tied for sixth place with Michigan with 19 points.

Georgetown and Mississippi A. & M each got seven points, while Pennsylvania was eighth with six. Altogether 28 of the 54 institutions broke into the point column.

## Californians Score Heavily.

Walter Christie's tanned coast athletes scored two of the first-both weight events won by Johnny Merchant-tied for first in the polevault, took second places in the quarter broad jump and javelin and annexed several other miscellaneous points.

Merchant's individual record was fairly equaled by the brilliant work of Paulu of Grinnell, wounded war vetaran, who shattered the collegiate dash record in both the century and the 220-yard events, although his score fell short of the Californian's by one point. After clipping one-tenth of a sec

ond from the 100-yard dash record stepping the distance in 9.9 seconds, Paulu broke the 220-yard mark by four-fifths of a second, besides win-ning the race in 21 4-5 seconds from fast competition. All the heats were run in 22 flat, three seconds faster than last year's record held by Wilson of lowa, who finished second today

We've had some wonderful Olym-pic games material in the past, with champions like Daniels, Spencer, Cann, Hebner and a score more of nearly equal ability, but never an Olympic prospect in the water sports like Johnny Weismuller. Just how fast he will be going when the Olympics come along no one can predict. But another year of development in strength and ex-perience no doubt will enable him to break, all the records he has made Two weeks ago the Carlton was hailed as halled as a meeting ground for Morevich and Snob II, then believed to be his only rival, but the latter, humbled in the Belmont stakes by Pillory, the Preakness winner a week ago, was a poor third today, fighting hard five lengths behind
