PERSONAL.

GET WELL-KEEP WELL.

Circuintion, organic functioning, elimination—these are the important factors of physical balance and health. Any upset or disease results mainly from an overload of scidity or toxin poisons in the system. The cure requires a health-building dist, better circulation, improved organic functioning and increased elimination of waste and toxin poisons from the body; my body-cleansing system does this scientifically, easily and in accordance with the laws of nature.
